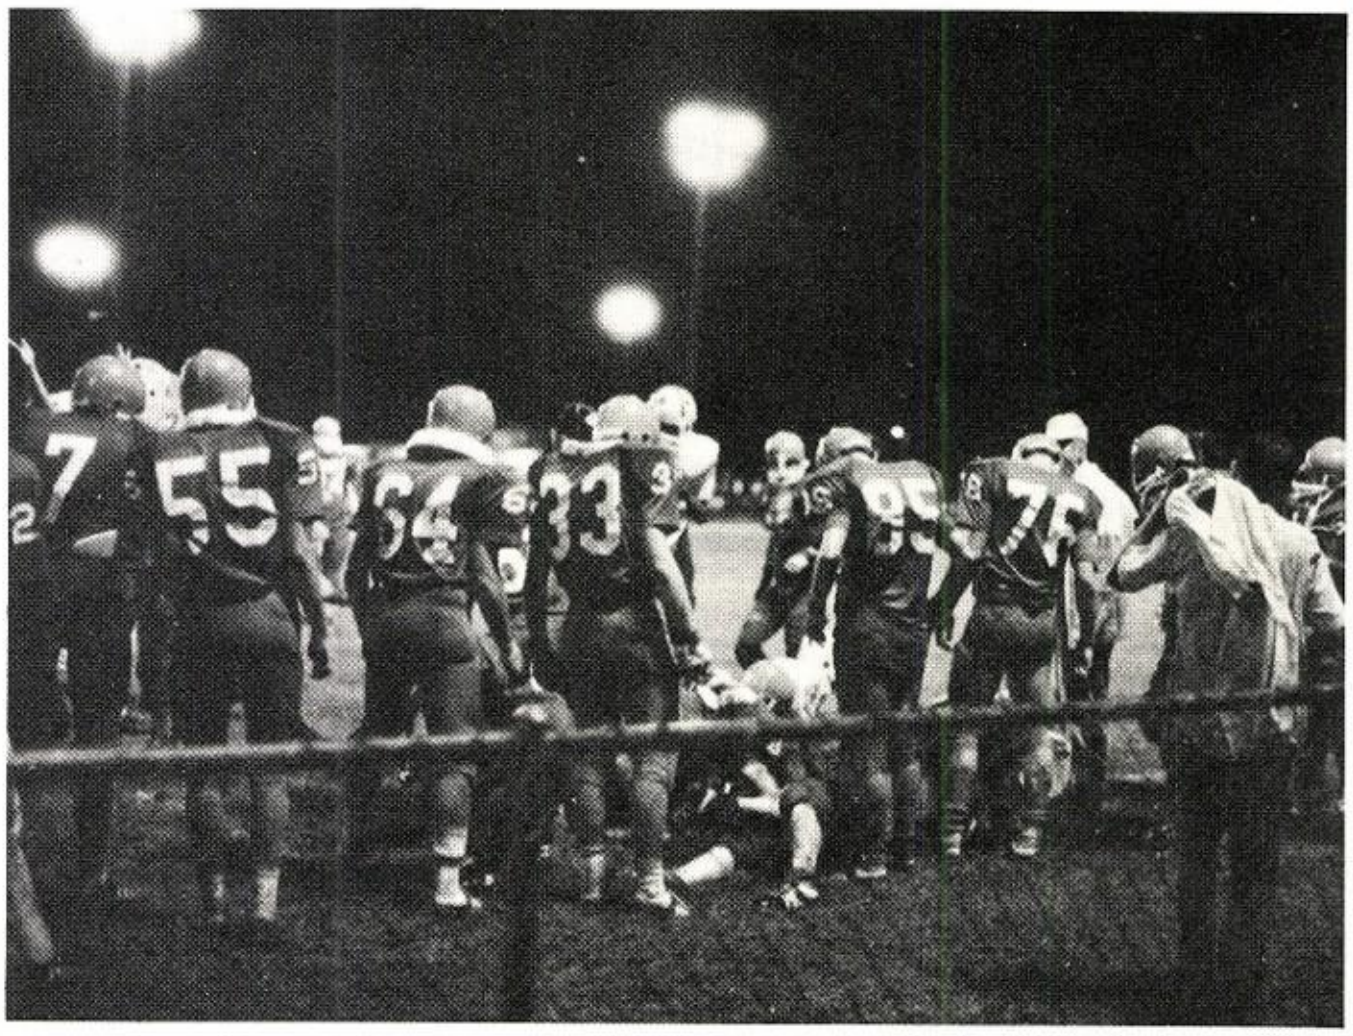
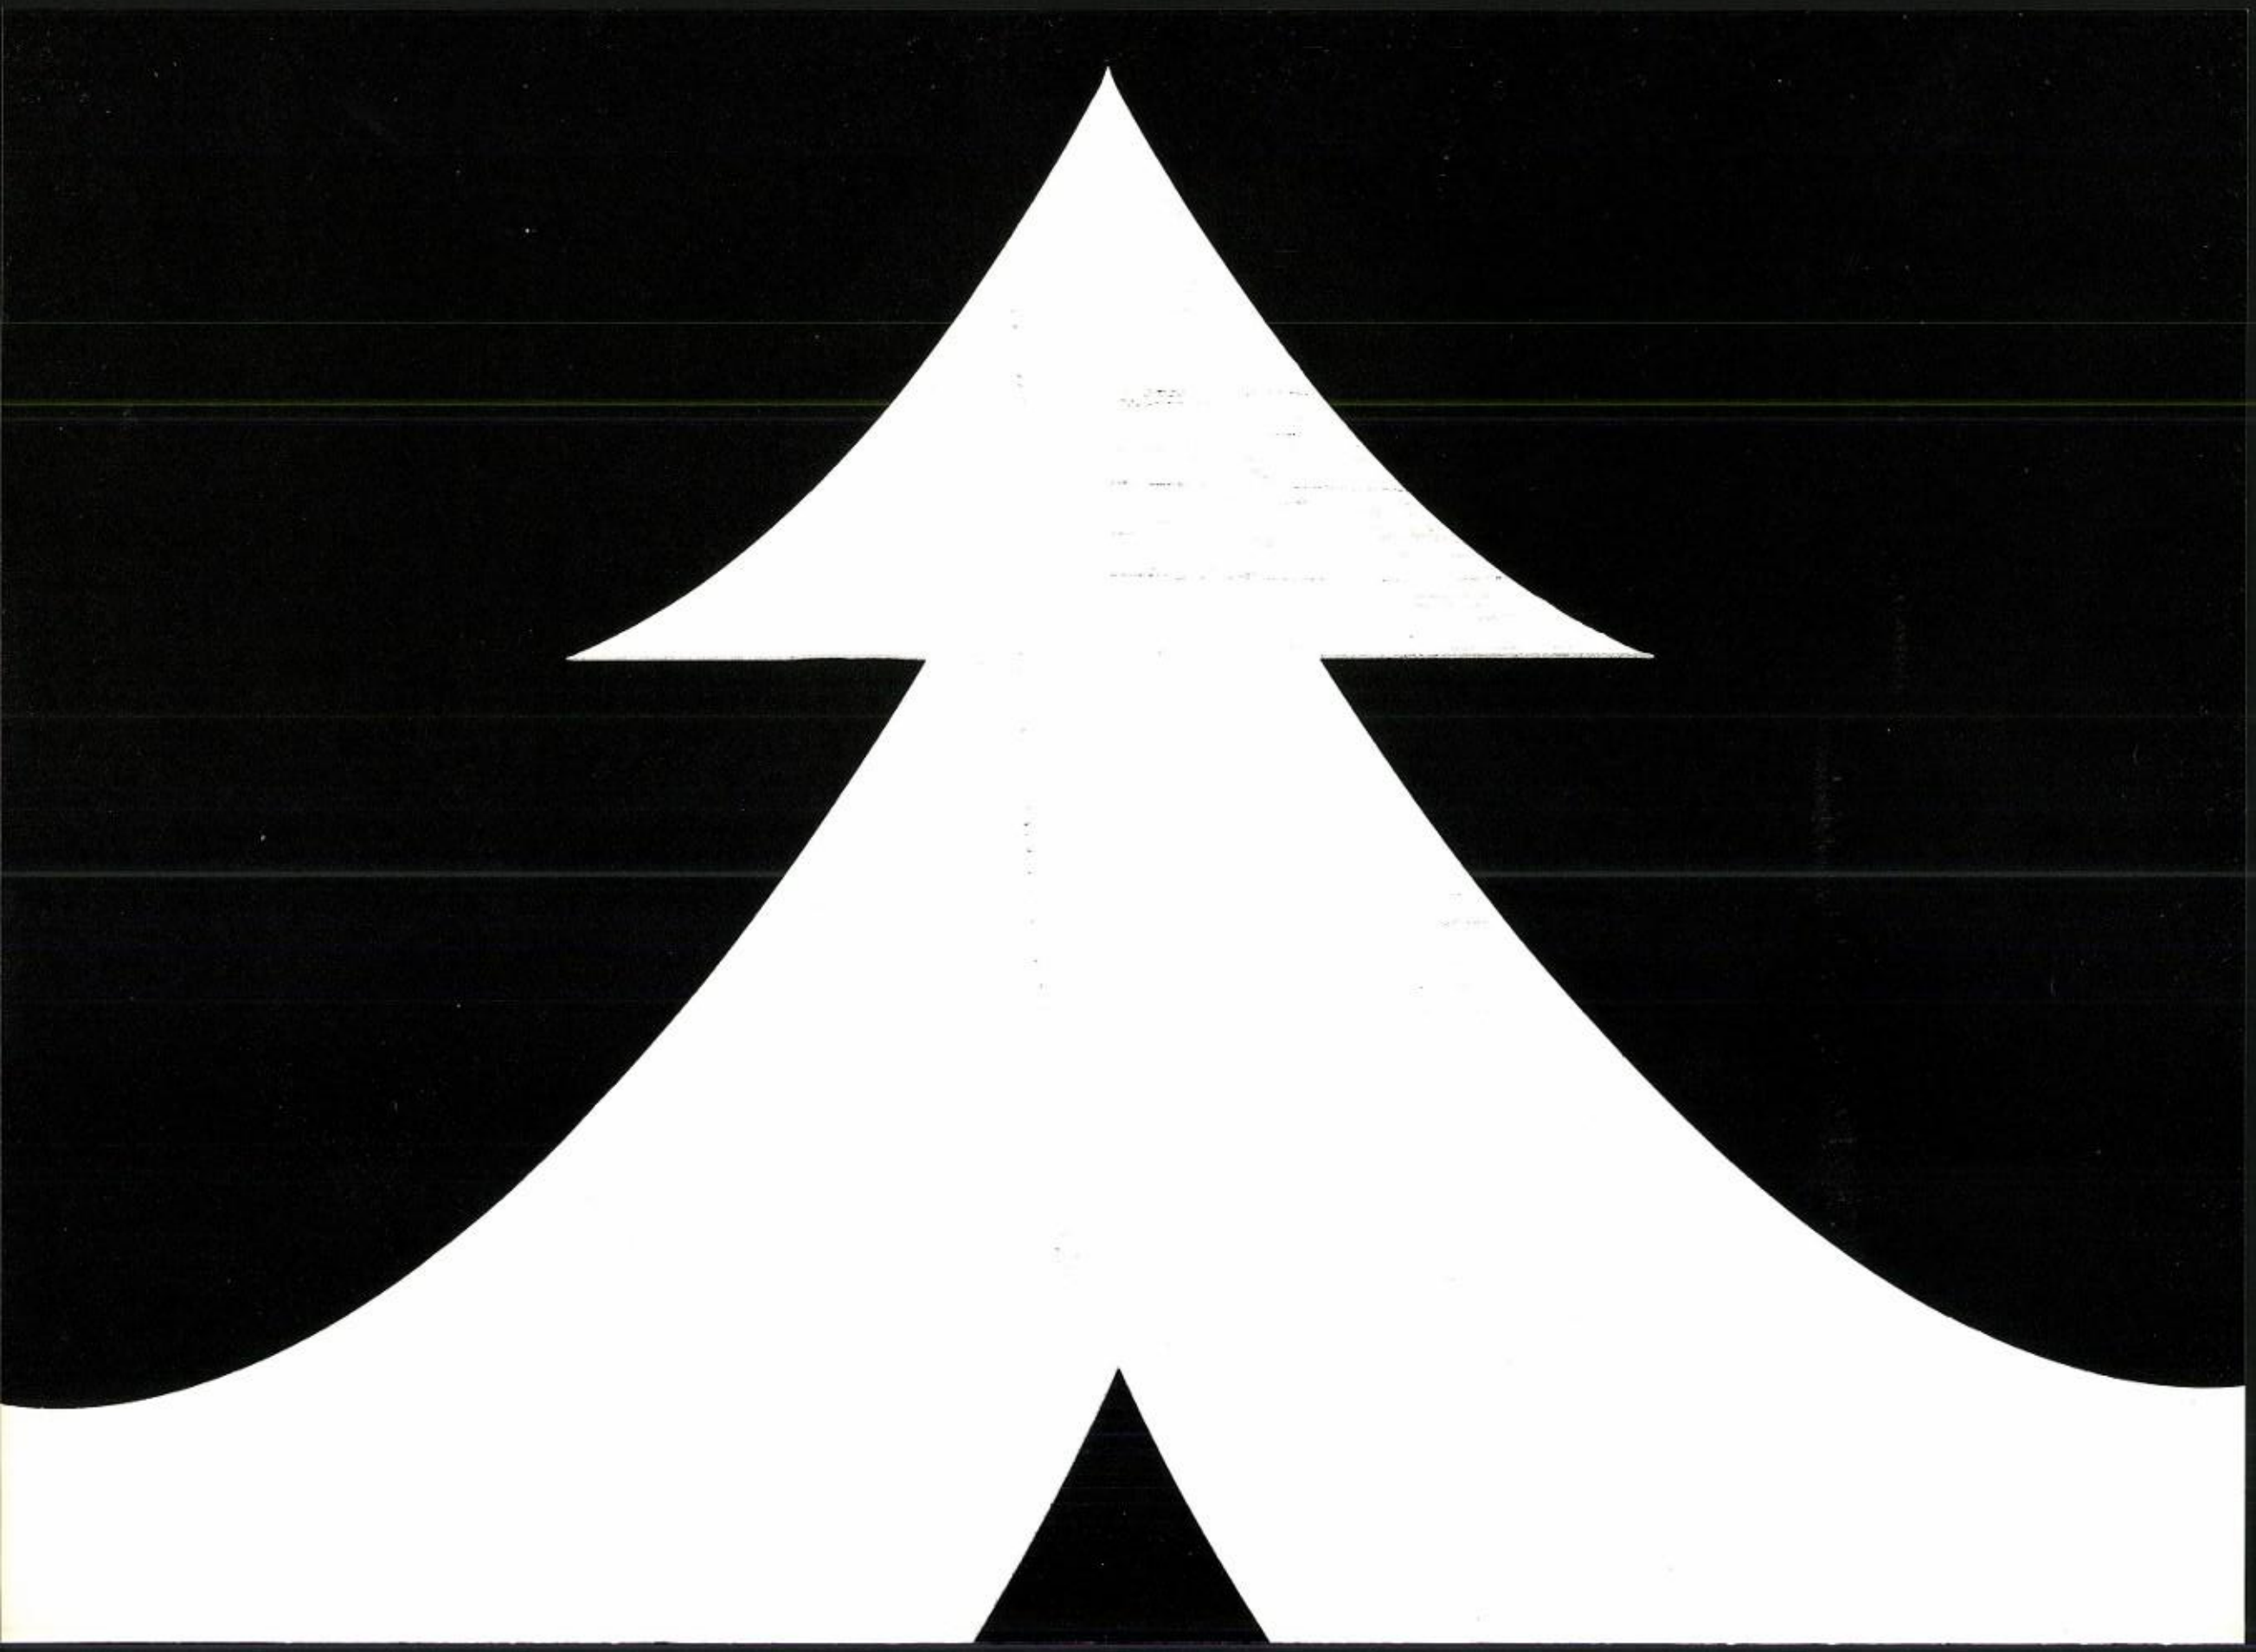
Many people are asking today such questions as "What gives?" "What's happening?" "WHAT'S IT ALL ABOUT?" The 1972 LAIR attempts to answer these questions in relaying what the year '71-'72 at Belton High School were all about.

Many new faces were seen on campus this year, including a whole new class—the freshmen, which added approximately 250 students to the total enrollment of Belton High School.

Along with the new students, many new teachers were seen on campus, too, due to the addition of a new vocational building, which added several new classes to the school program, and a new English department in the basement, which was completed after school started.

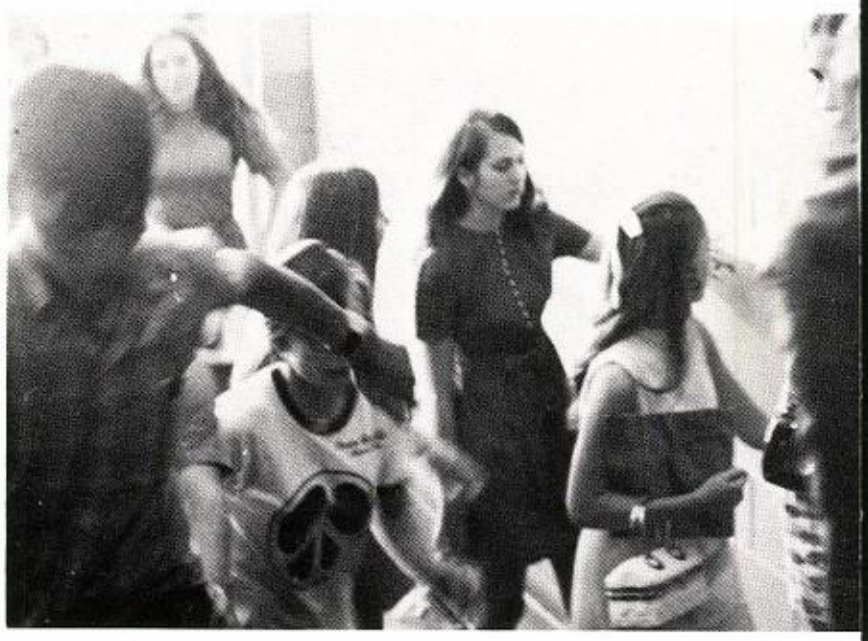


WHAT'S IT ALL ABOUT?



EDUCATIONAL EXPERIENCES—OLD AND NEW

The vocational building and the new English department were two new sites seen on the Belton campus this year. The vocational building contributed to several new classes this year, including auto mechanics pictured at the bottom.



The auditorium was a new experience this year, too, due to the late finishing of the English department construction. English classes were held there, giving everyone at least one air conditioned class, which was appreciated.

Along with the new happenings the old scenes were still evident on campus, such as the rush in the halls and the grabbing of any extra time to study for the next class, whatever and wherever it might be.

Campus Movements

A variety of movements were seen on campus this year, some of which are seen on these two pages: the relaxed dress code, Jesus movement, two lunch periods, ecology movement, the new football field sign, and the new work and study programs.

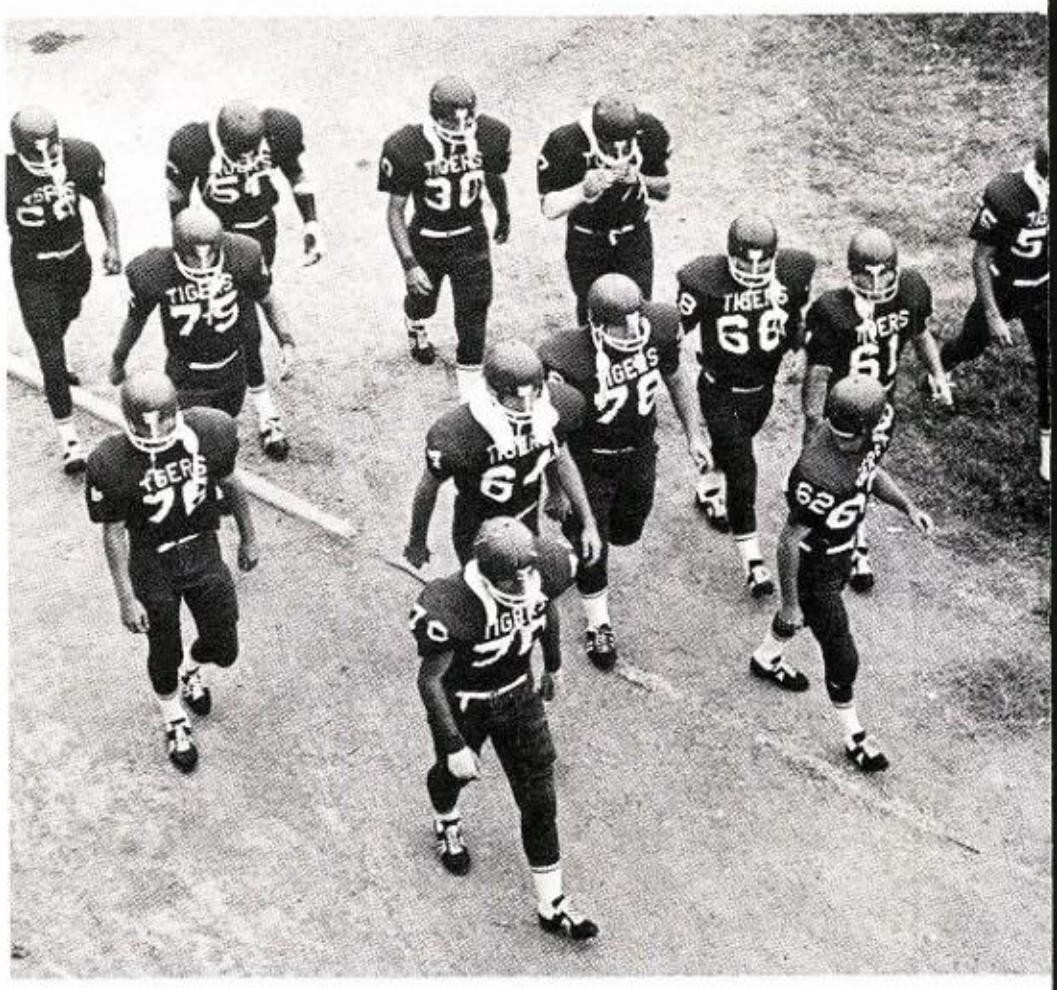
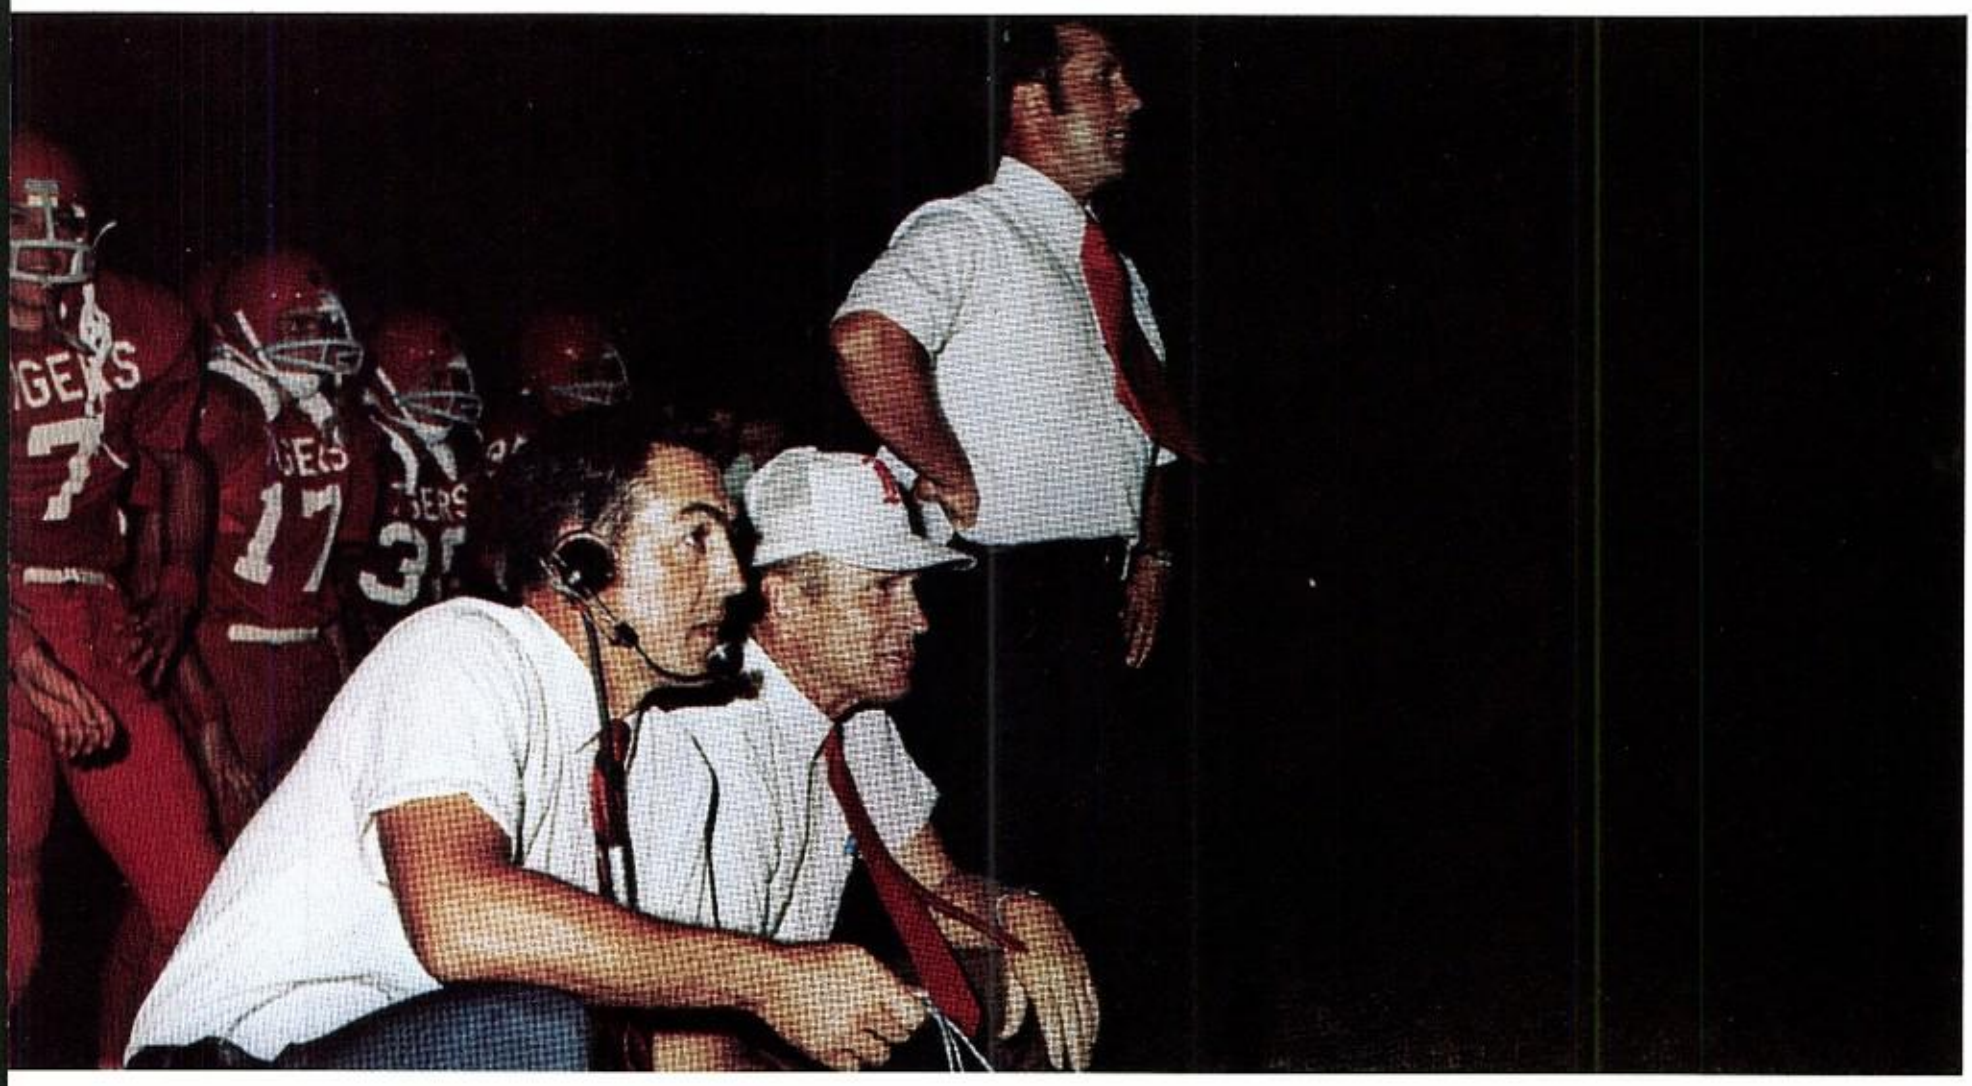
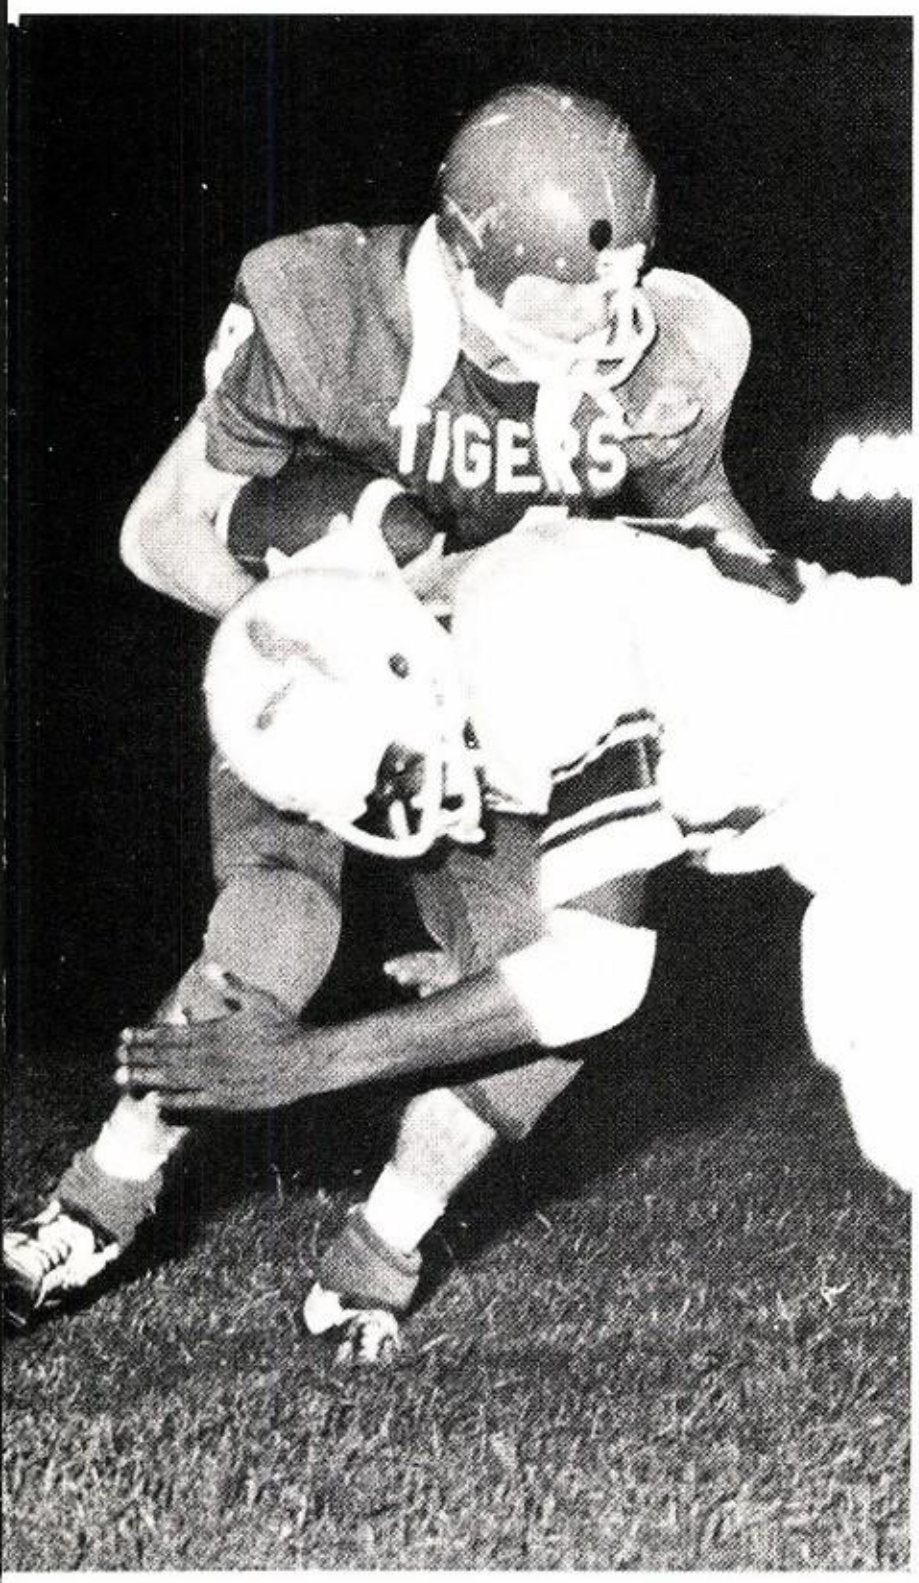
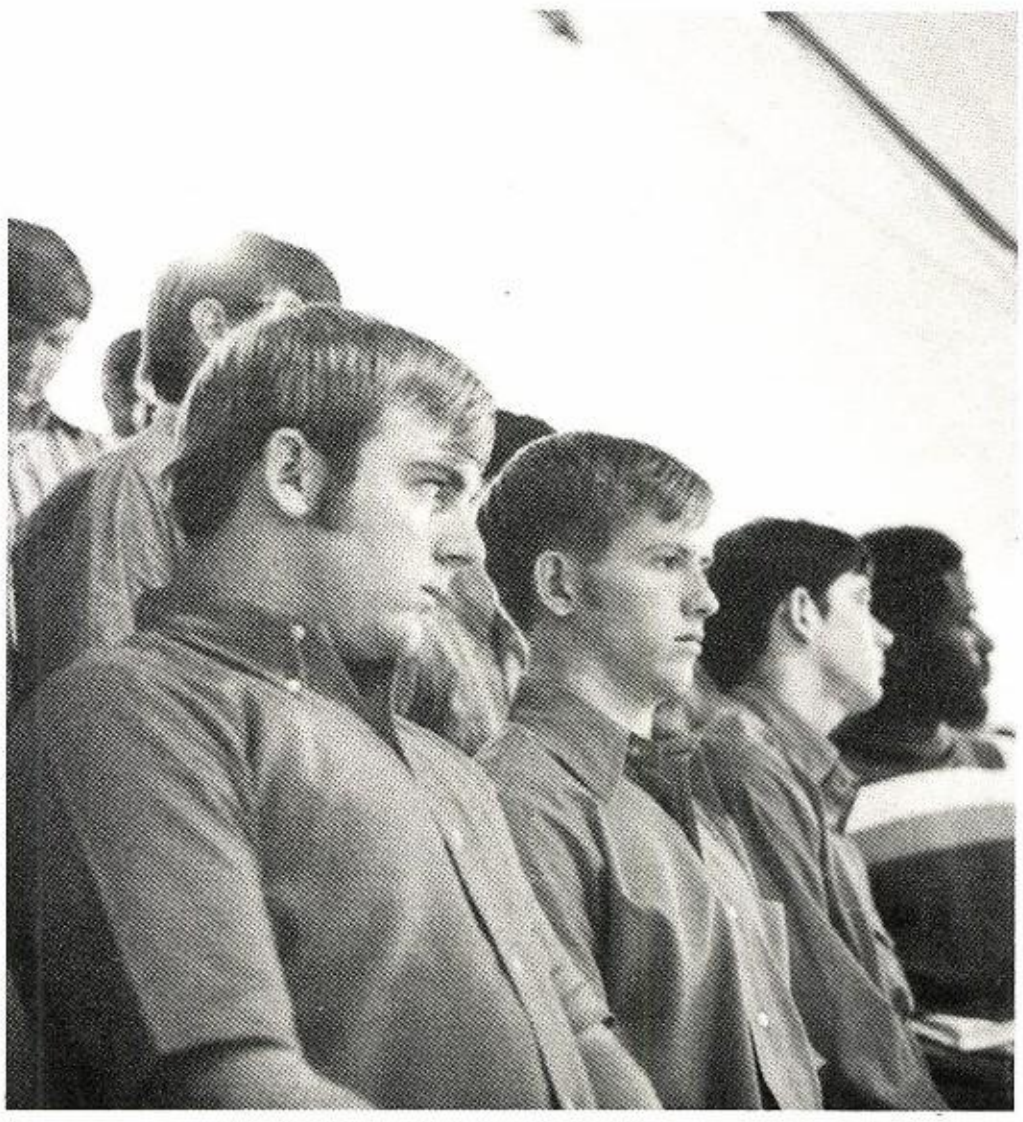
Go Big Red

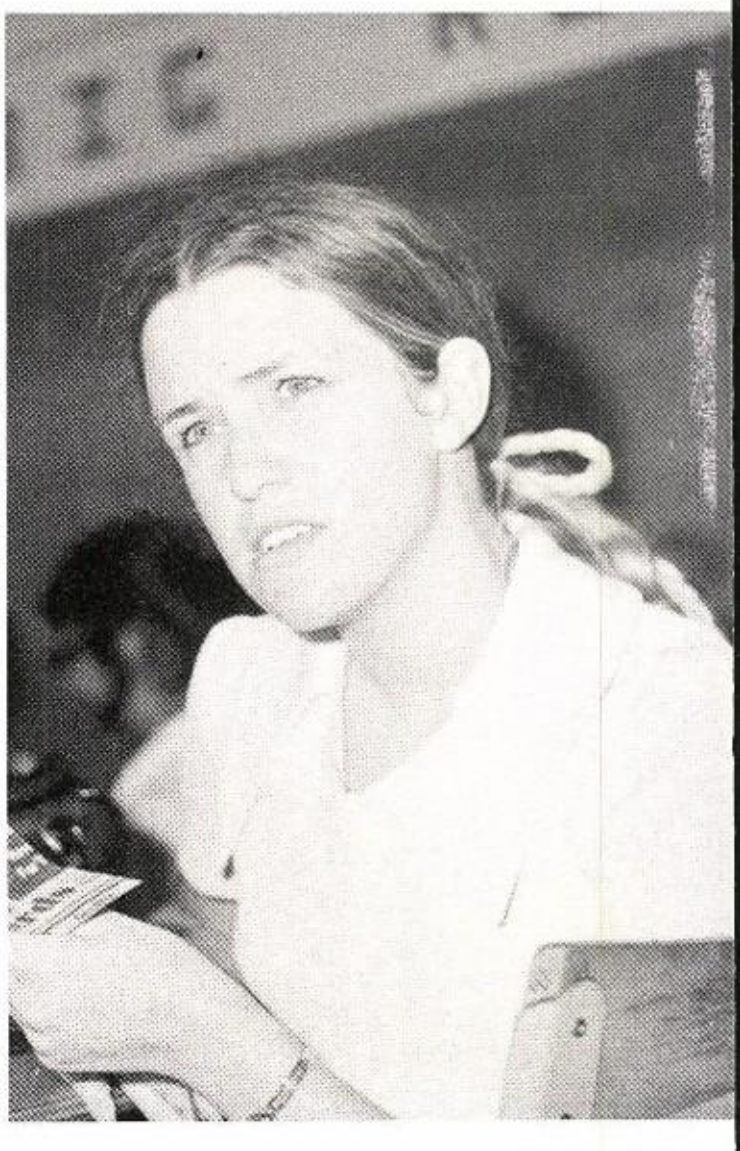


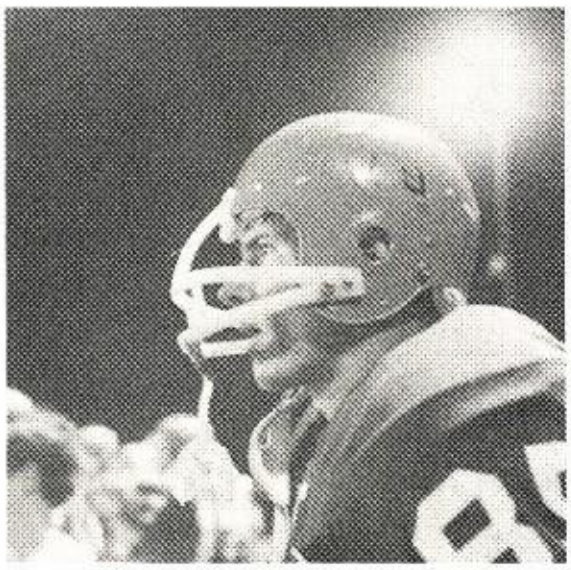




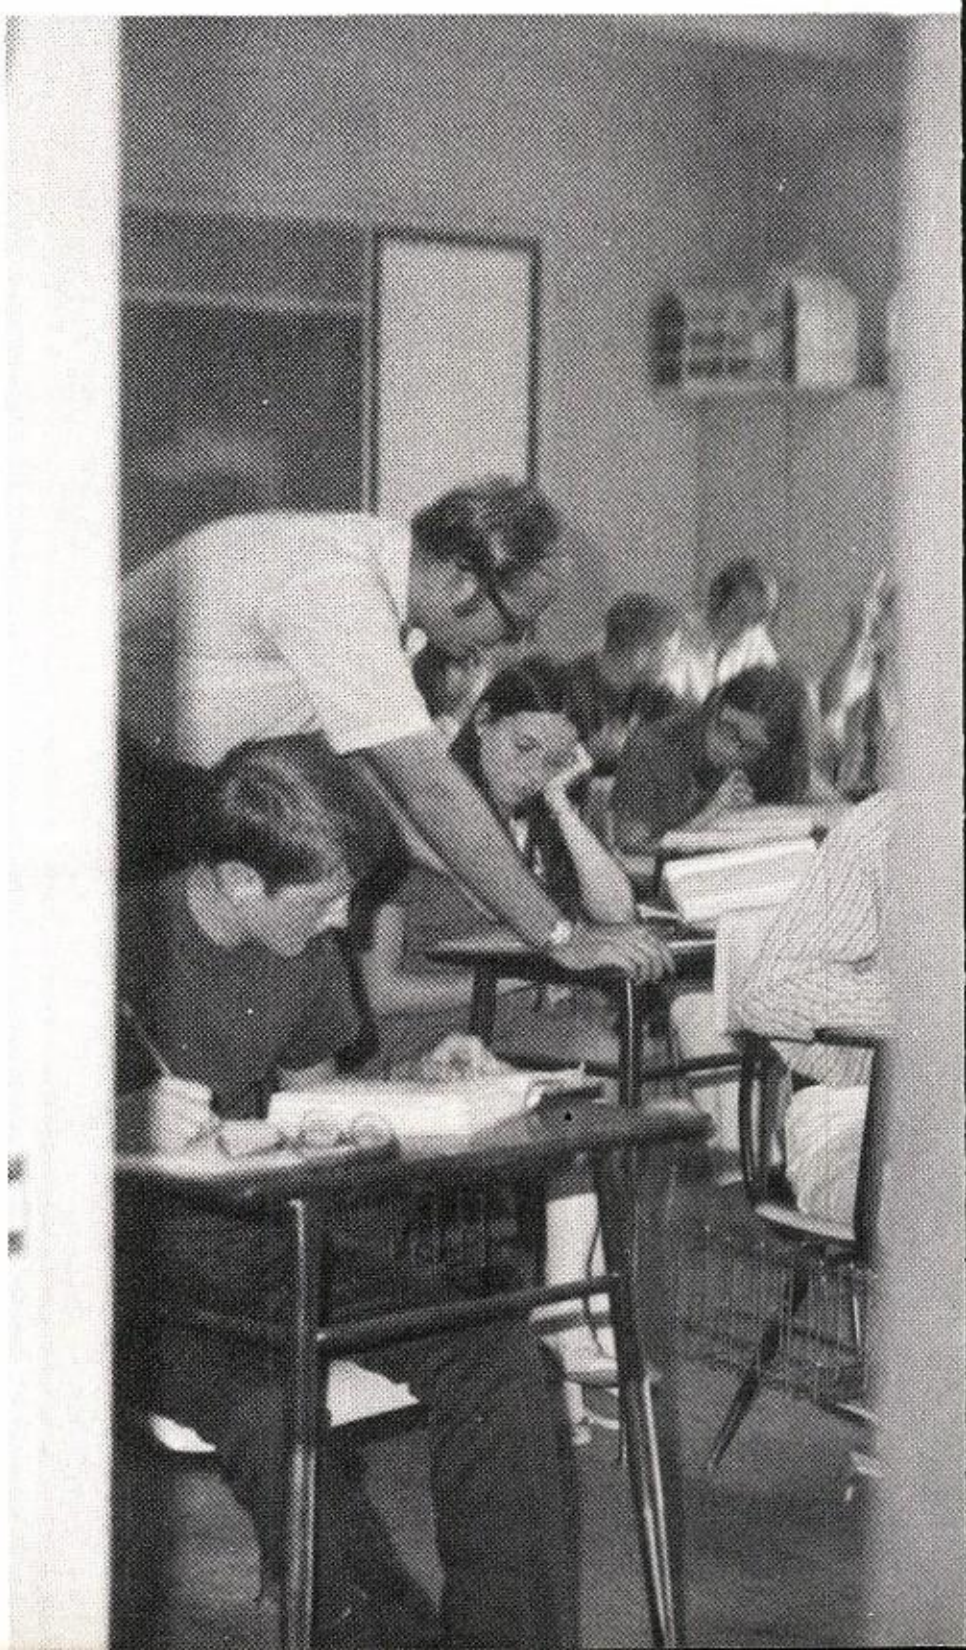


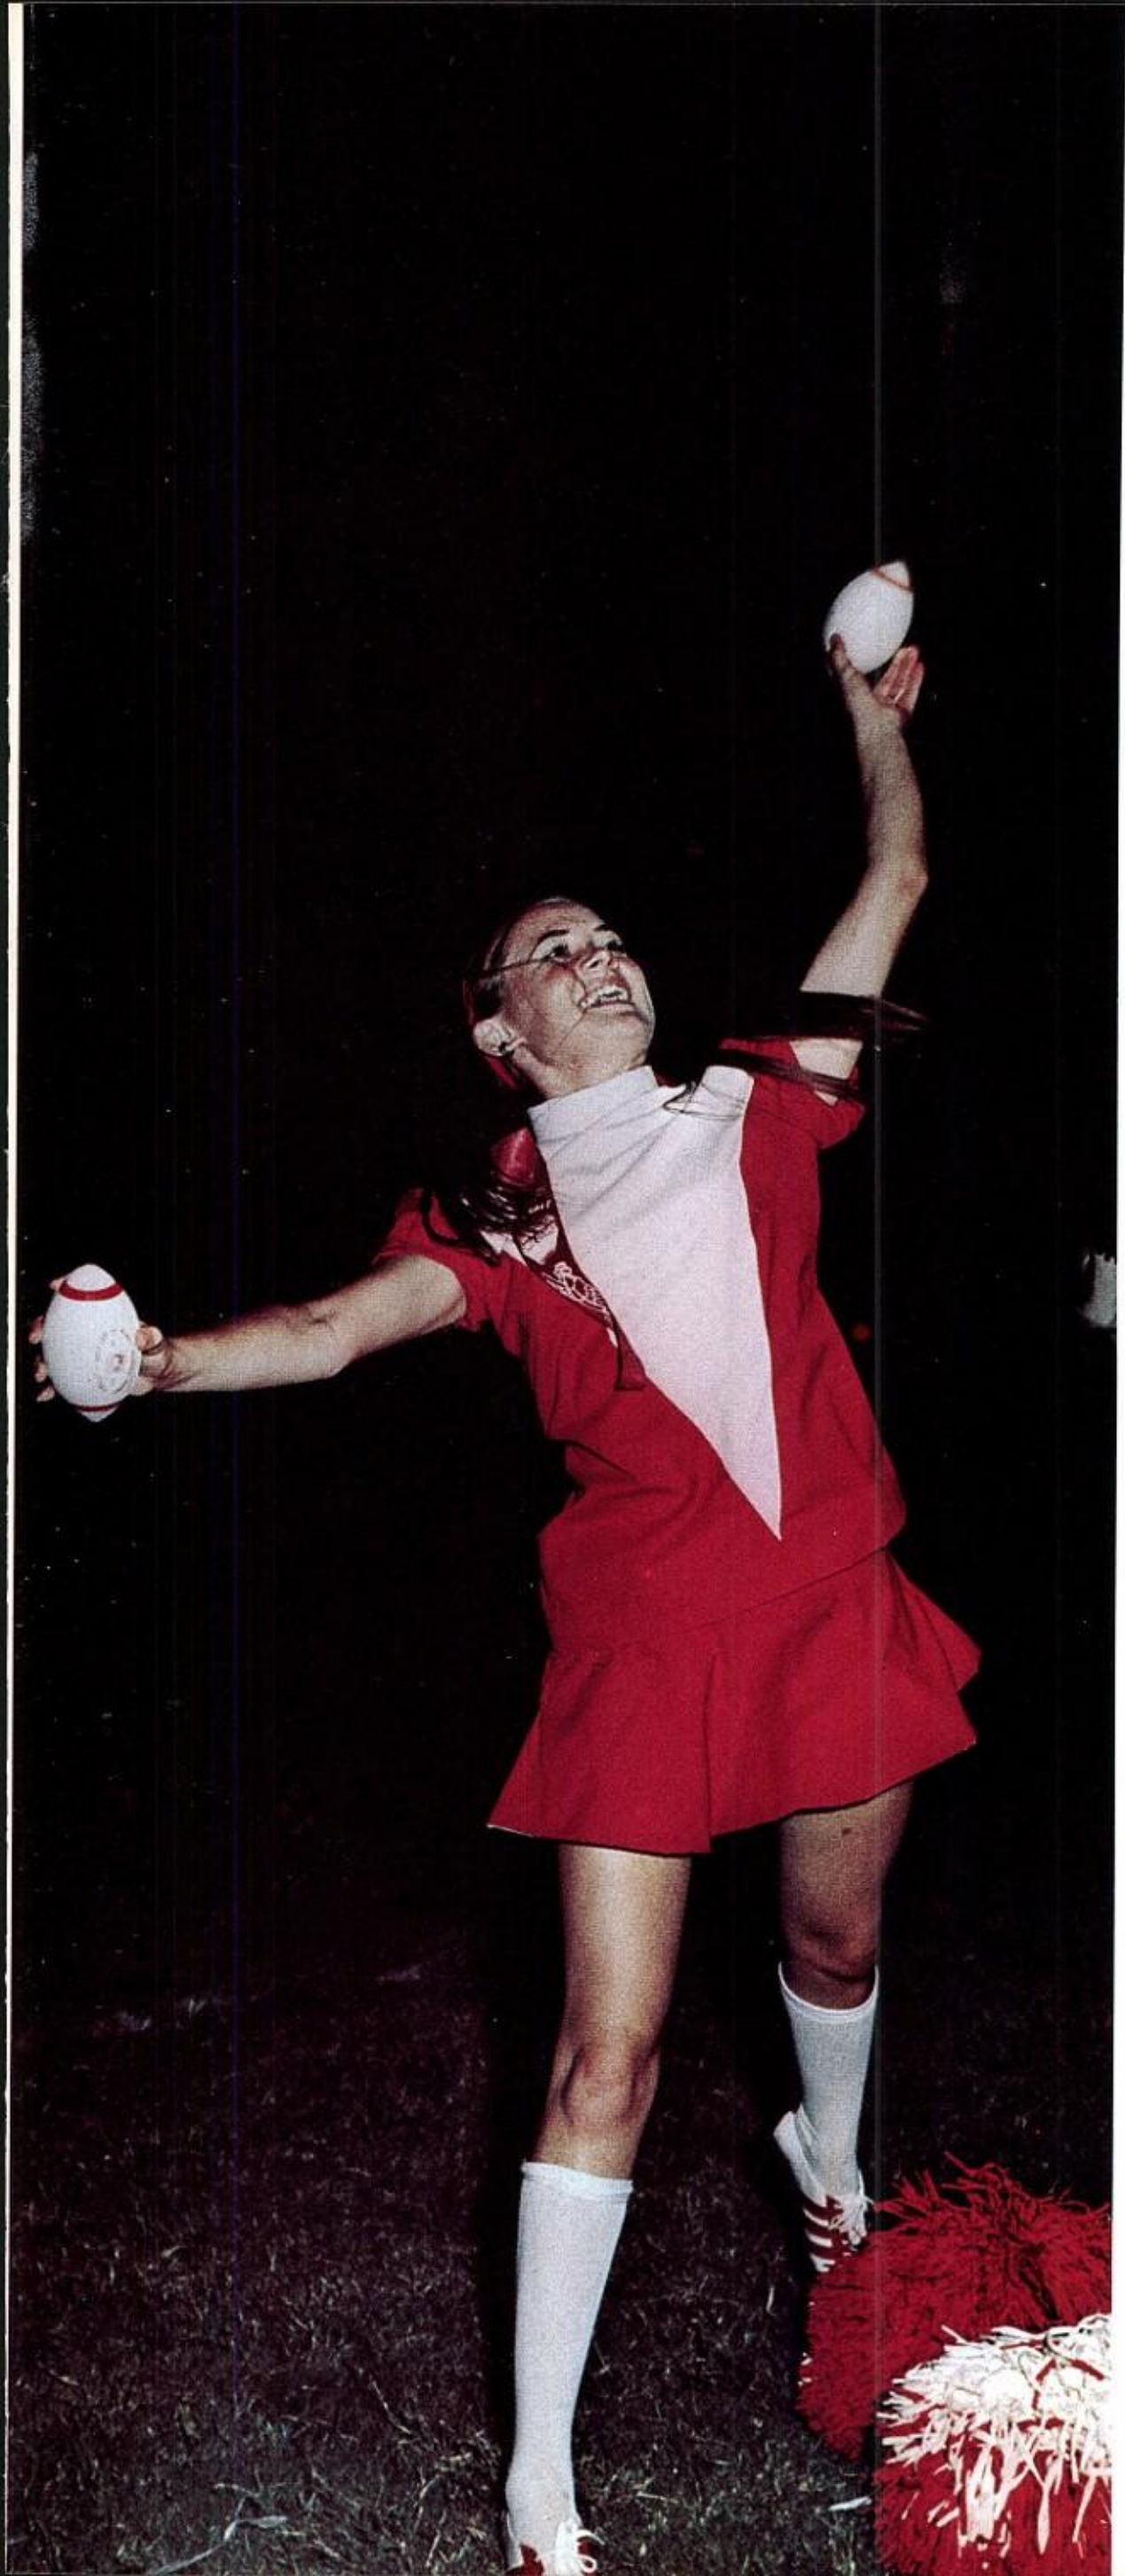
As usual the sports program is a big issue on the Belton High School campus. The whole student body contributes. The band contributes the "Big Sign" every week along with their outstanding marching and their new addition of flag bearers. The cheerleaders and the twirlers help boost the spirit. They also decorate the halls and lockers along with help from volunteer students. Final proof of the great spirit in Belton is the people who consistently pack the stands to see the BELTON TIGERS fight to victory.

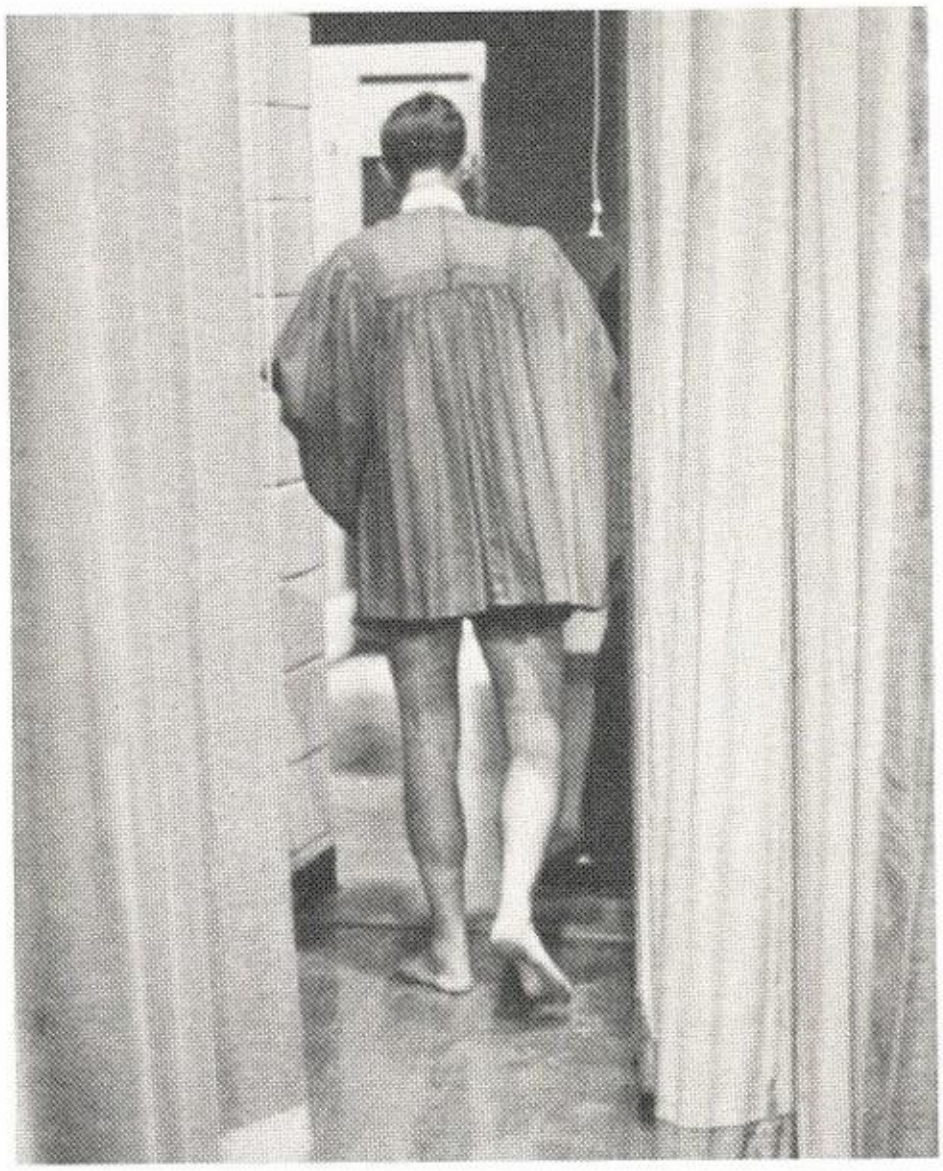


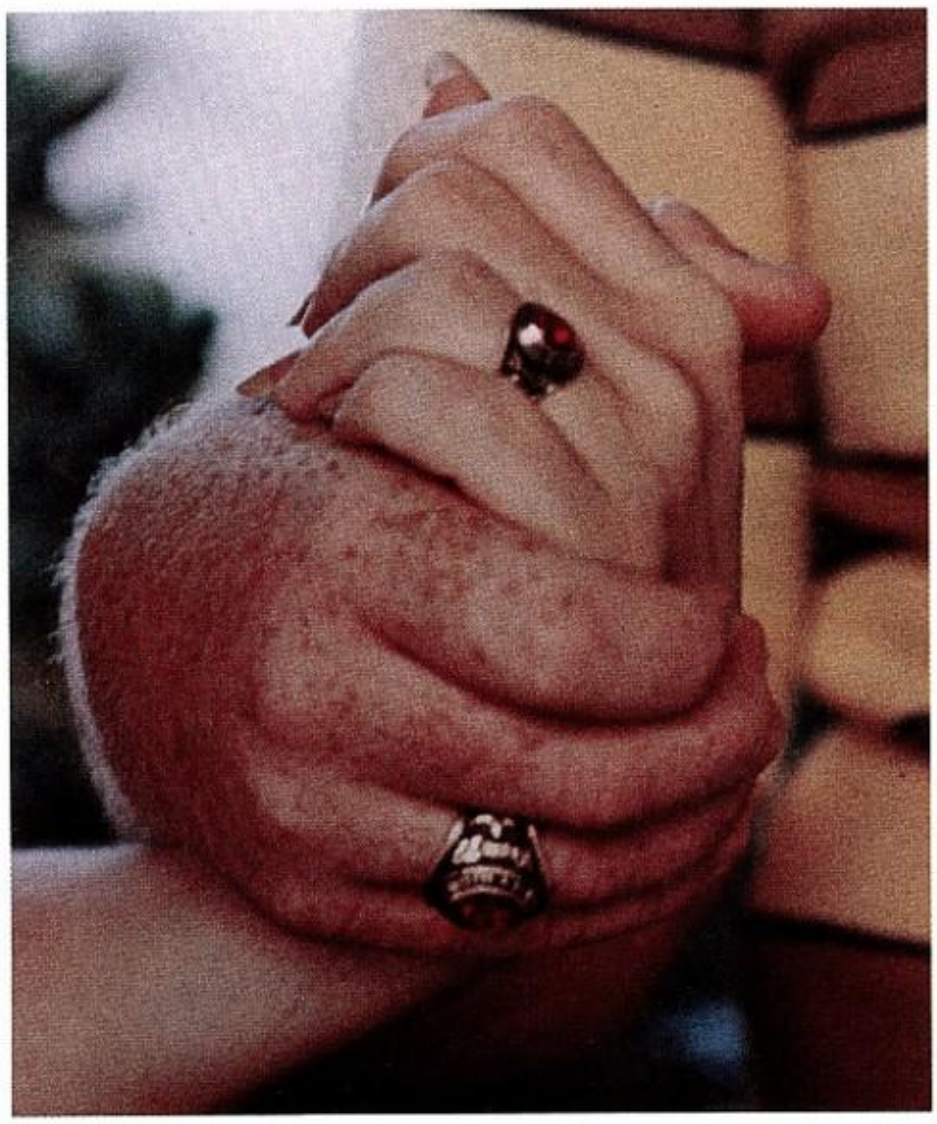


Correlated with the many facets of school life are the different expressions borne by both faculty and students. Some of these expressions are pinpointed for you: grimness of a sports battle, concern of a teacher when a student doesn't come across, concentration, pensiveness, excitement, perplexity, and happiness.









WHEN DUTY WHISPERS LOW, 'THOU MUST,' THE YOUTH REPLIES, 'I CAN.'

SCHOOL SONG

All hail to the Red and White, boys,
The colors we love so well,
Your loyal sons now salute you
As the songs on the breezes swell;
Then here's to the Red and White,

For you we will ever fight,
For the flag of our dear old high
school win
The colors of Red and White.

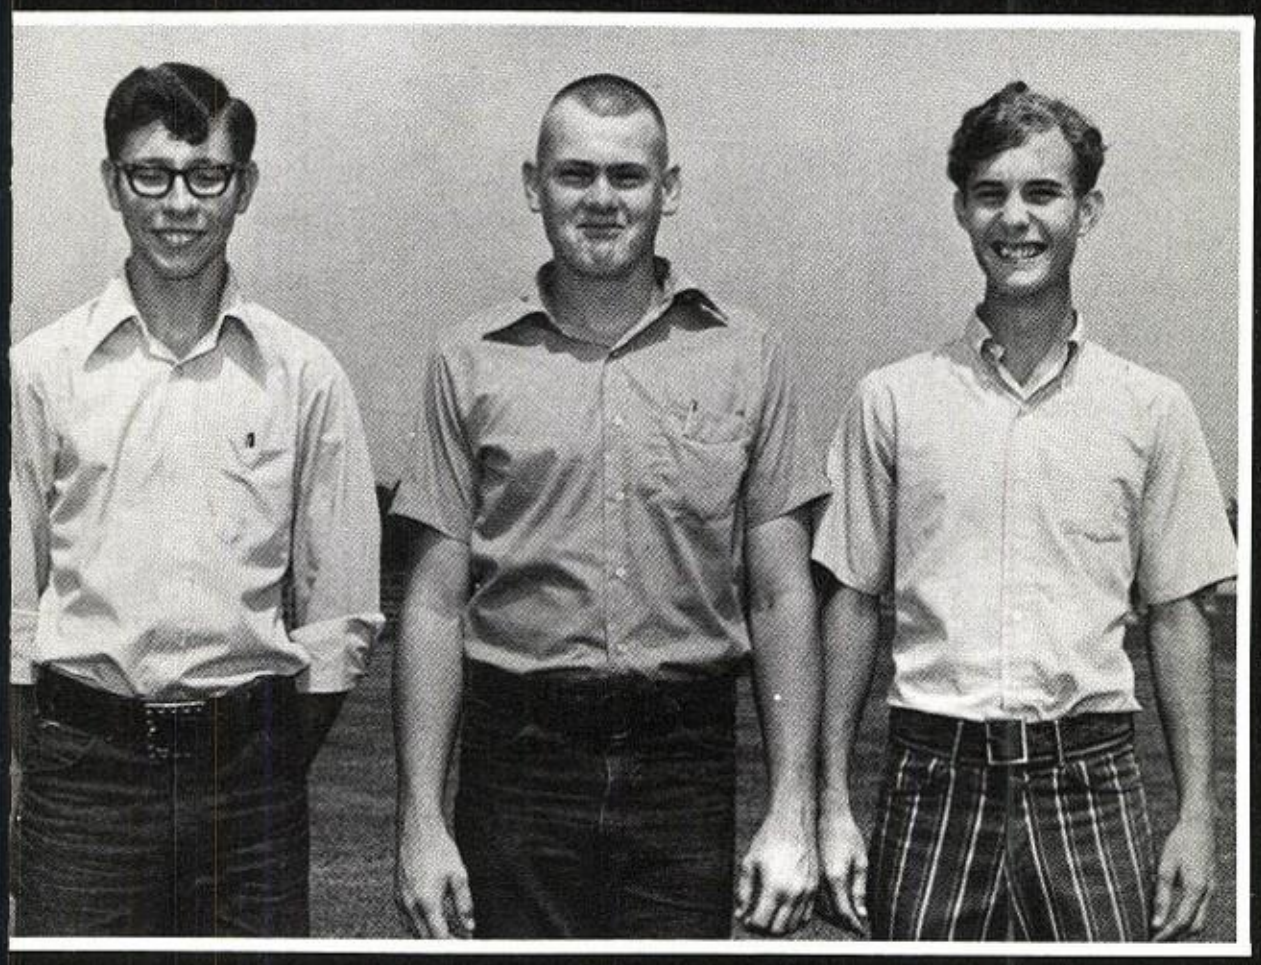
'ARSITY MANAGERS



True work and dedication is shown by the many hours the football managers put in for the school community and football team. These boys spend most of their time bandaging the players, carrying water and supplies, boosting the moral, and cleaning up afterwards. This years varsity managers are Bryan Sinclair, Curtis Beck, and Charles Abbott.

'971-72 FOOTBALL SWEETHEART

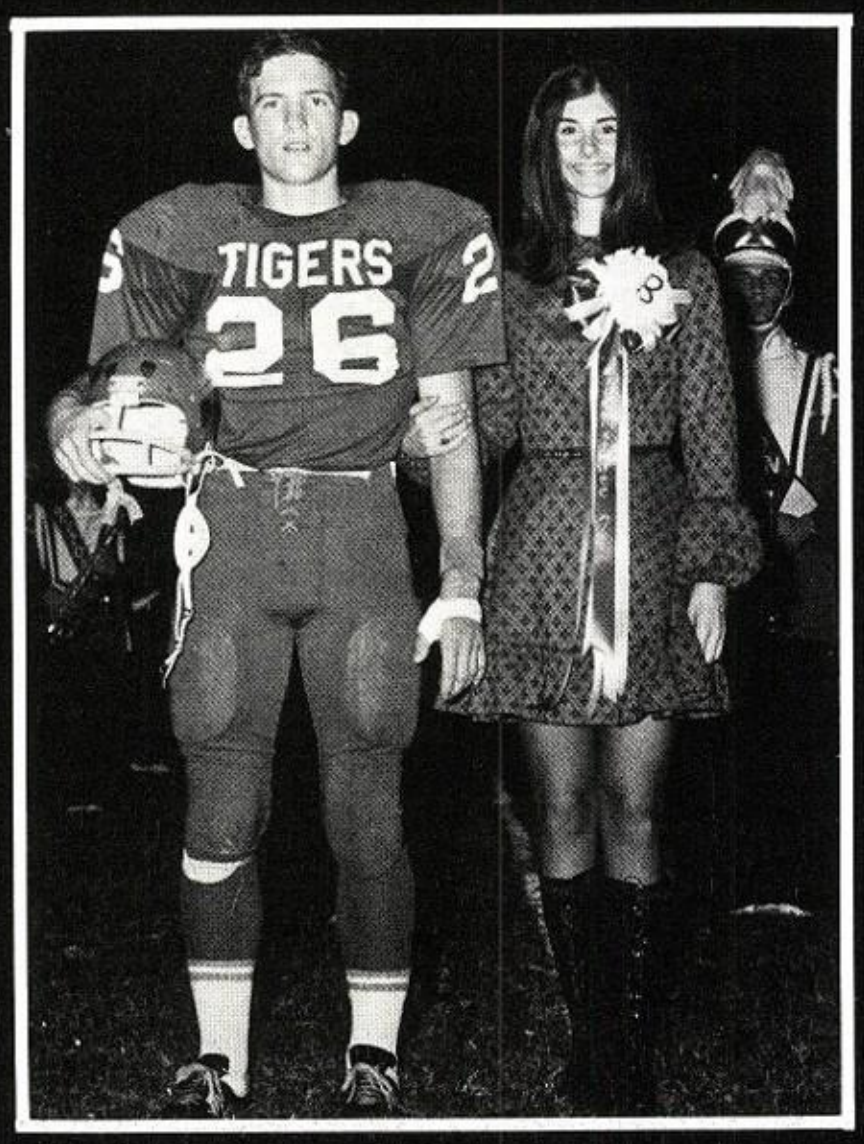
ISS DONNA BIRD

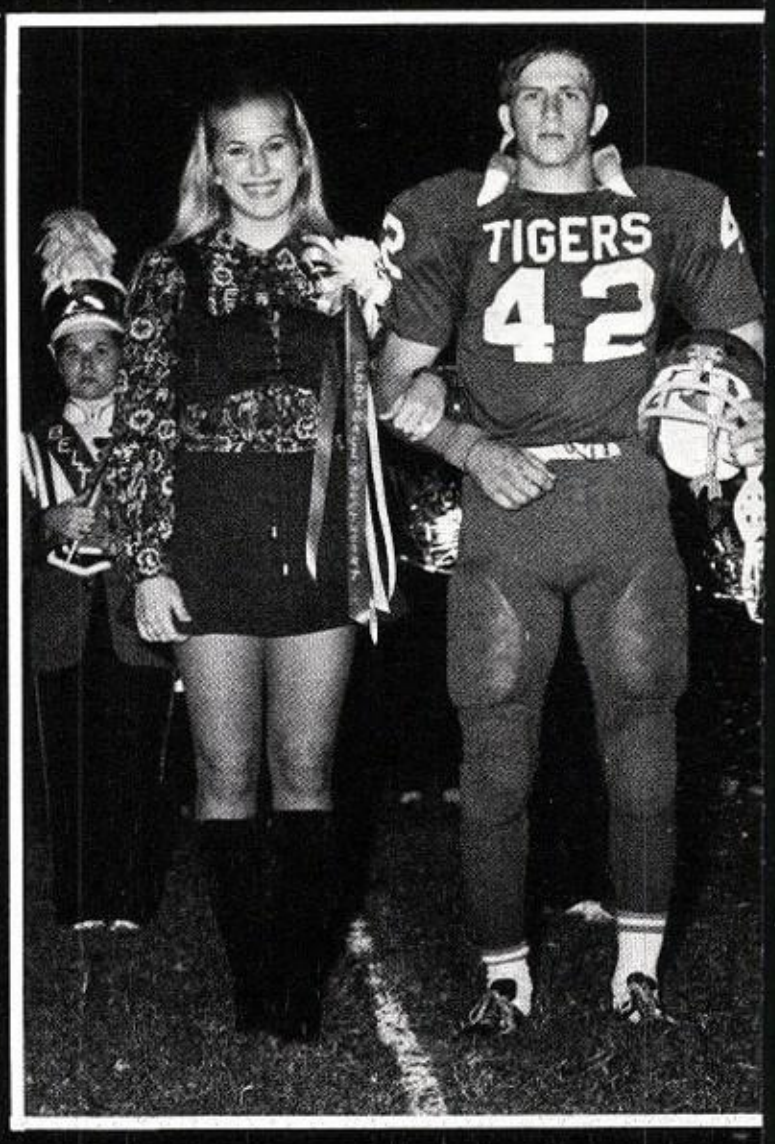
e 1971 Football Sweetheart, Donna Bird, was well-chosen as DONNA has been a cheerleader for two years and represented ton as the head cheerleader this year. As a senior, DONNA held offices in many clubs. Also, DONNA was a nominee for mecoming Queen this year. Donna is shown escorted by Ronnie Watson.

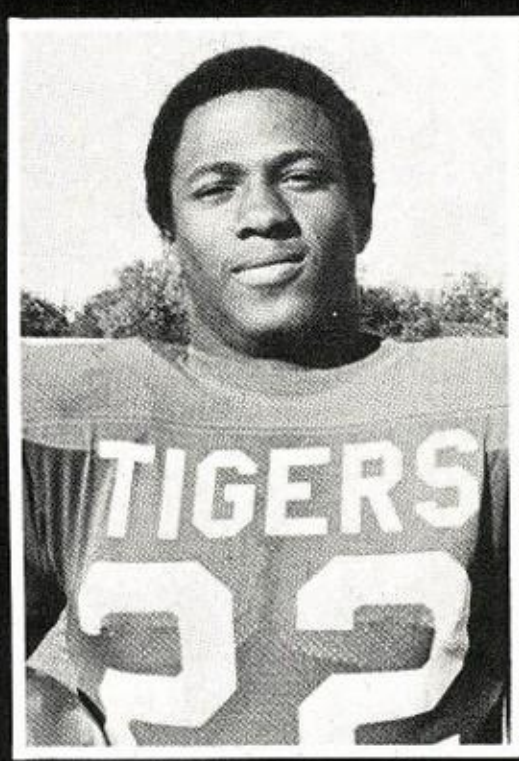
The finalists for Football Sweetheart were Susan Aiken and Mary Birtchet.

Susan, left, was a cheerleader and Homecoming Queen. She was escorted by Steve Ash.

Mary Birtchet, far right, a junior, is also a cheerleader. She was escorted by Chuck Button.







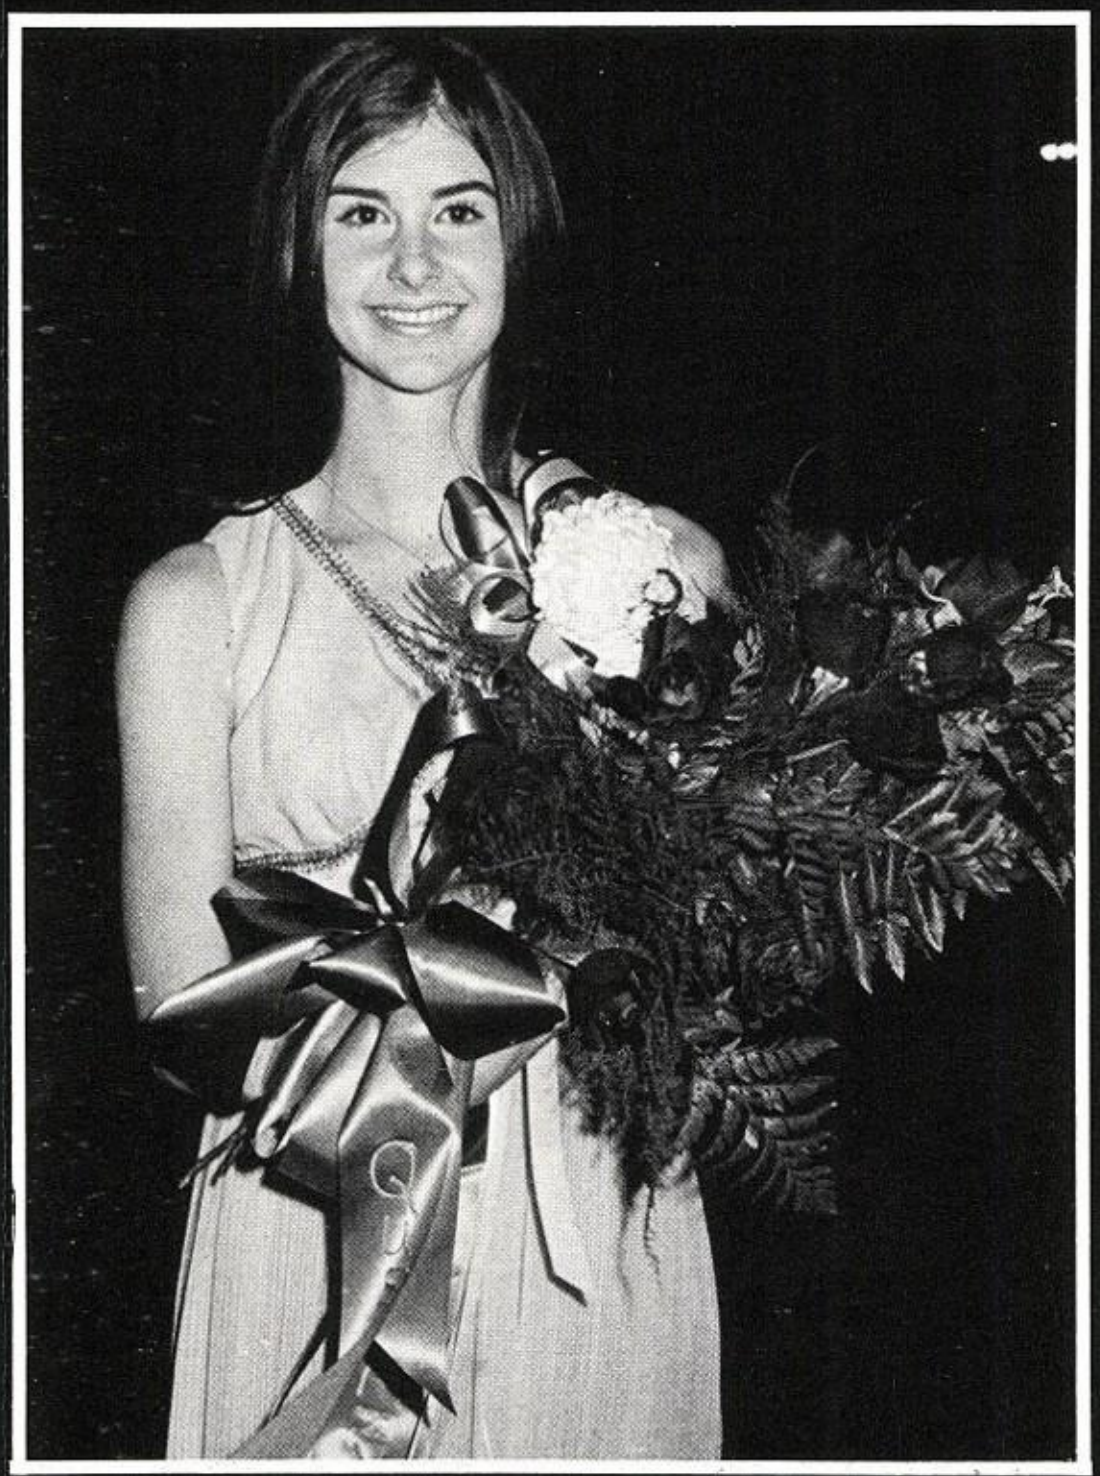
Harry Wilson a Junior at Belton High, was seriously injured in a freak tackle the night of the Gatesville game, November 5. The team fought on to a 21-20 win. Harry stayed at Scott and White until he was moved to Houston in January.

The high school students turned out to see him off in a Fort Hood helicopter.

The picture on the right shows Billy Miller and Larry Brown who earned the most skulls and 110% awards.

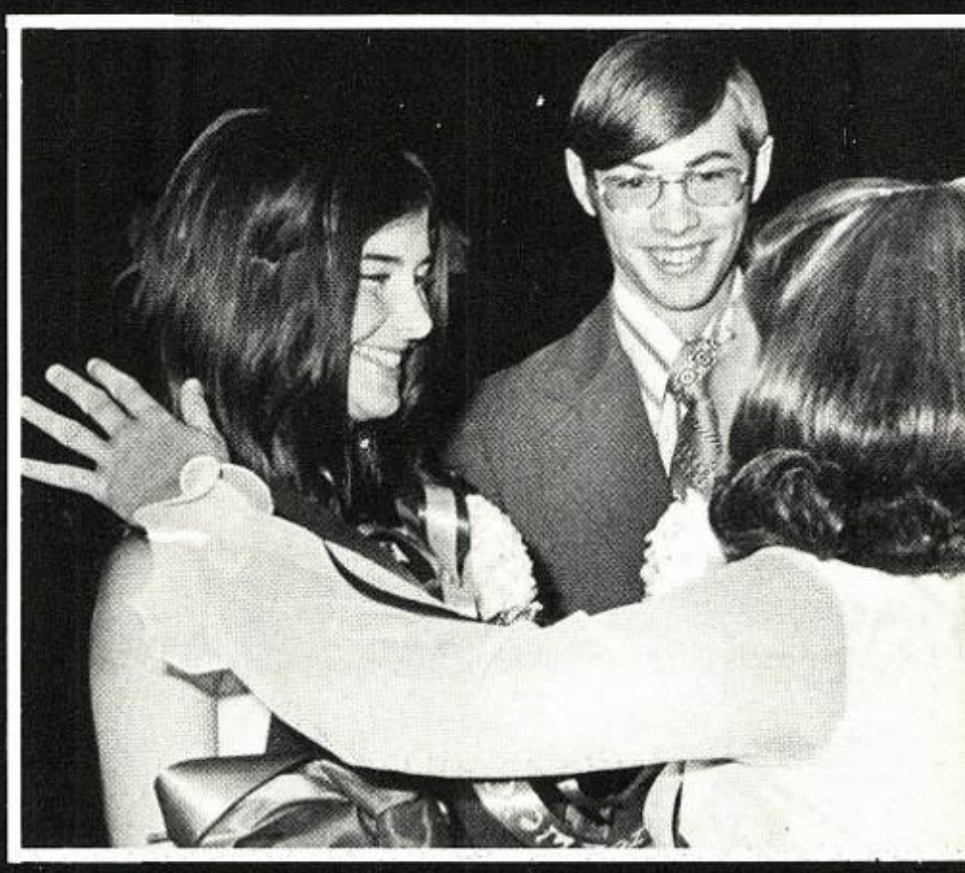
HOMECOMING QUEEN 1971-72

SUSAN AIKEN



Susan, a senior was nominated by the students as the 1971-72 Homecoming Queen. Although this is only Susan's second year at Belton, she has proved to be an outstanding student. She was a cheerleader this year, a senior class favorite, and an officer in several clubs. Susan was escorted by Jim Janeway.

Below: Susan is congratulated by last year's Homecoming Queen, Susie Wallace.

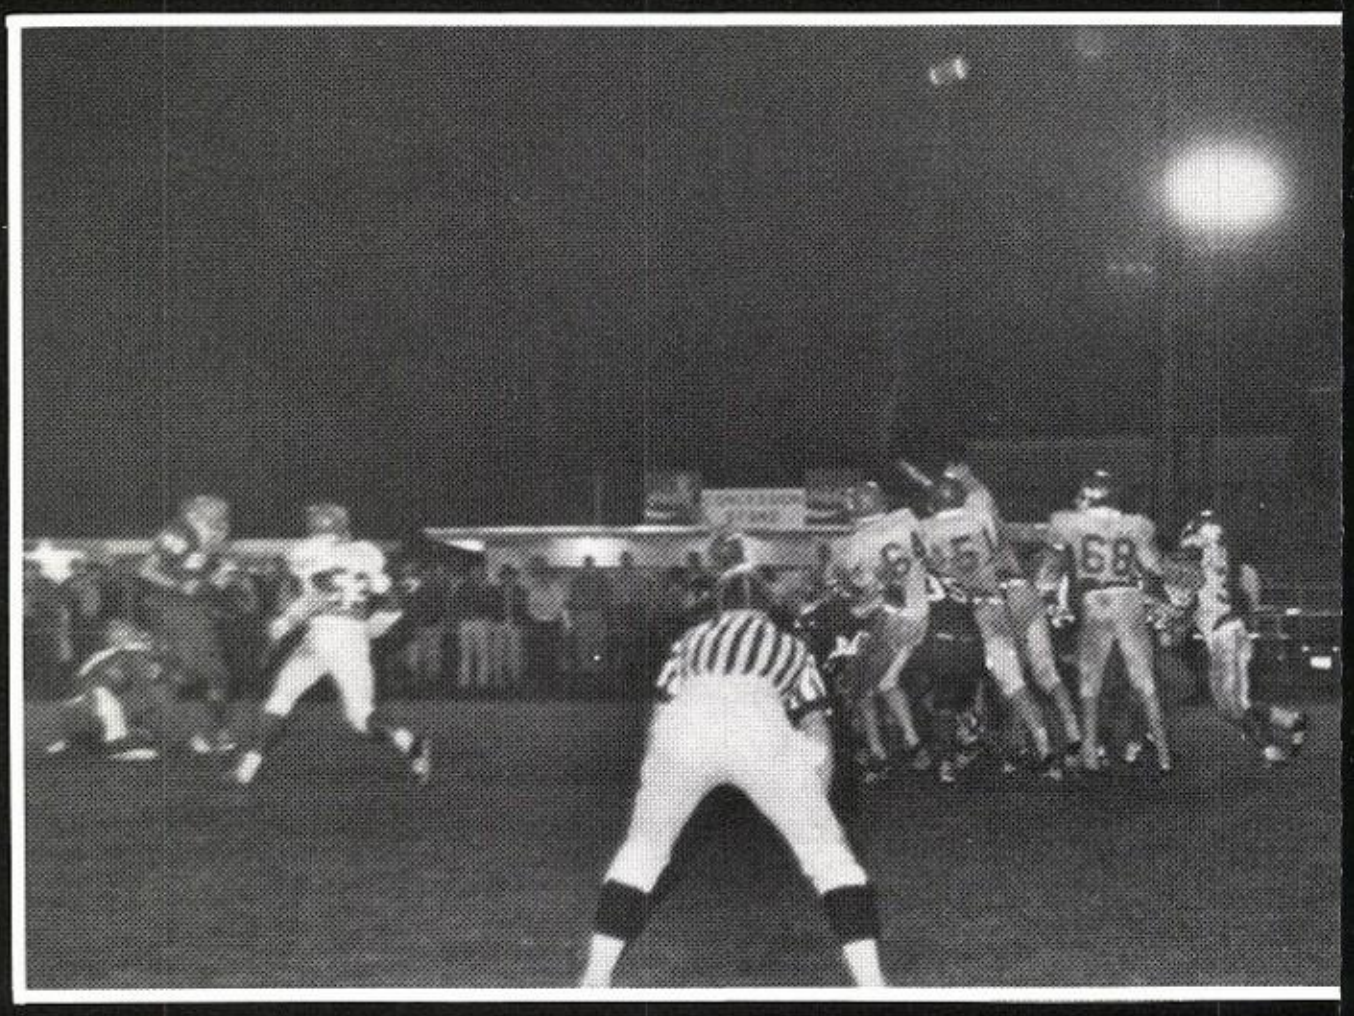


Nominees: Paula Tulloch, Susan Thornton, Susan Aiken, Cynthia Welch, and Donna Bird.

PRE-SEASON ROUNDUP
The Belton Tigers opened the football season by clipping the Eagles' wings 51-20. Most of the Tigers' scoring came in the 4th quarter as the thunder storm moved in.

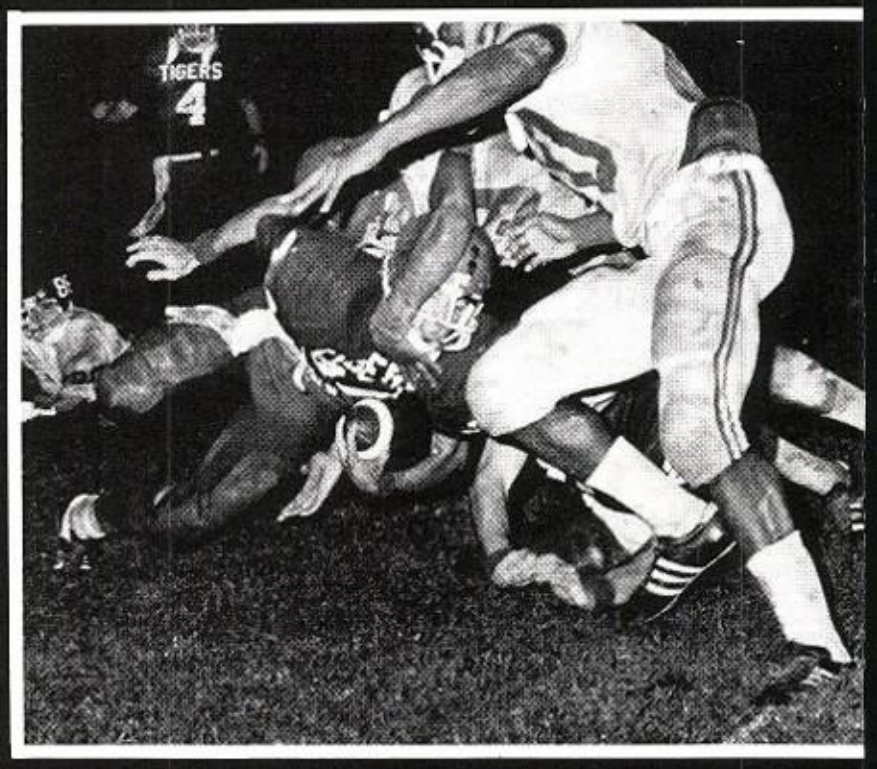
The next week the Tigers faced the Dallas Bishop Lynch Friars. Although there were only 2 net yards difference between the two teams, the Tigers has trouble getting a TD drive because of the heavy fumbling plaguing the game, giving the Tigers a trailing score of 0-14.

The Tigers rocked up their second win of the season over the Marlin Bulldogs 14-6 in the mud. The Tigers played a very defensive game for a net yardage of 273 yards and letting the Bulldogs penetrate the Belton 40 yard line once.



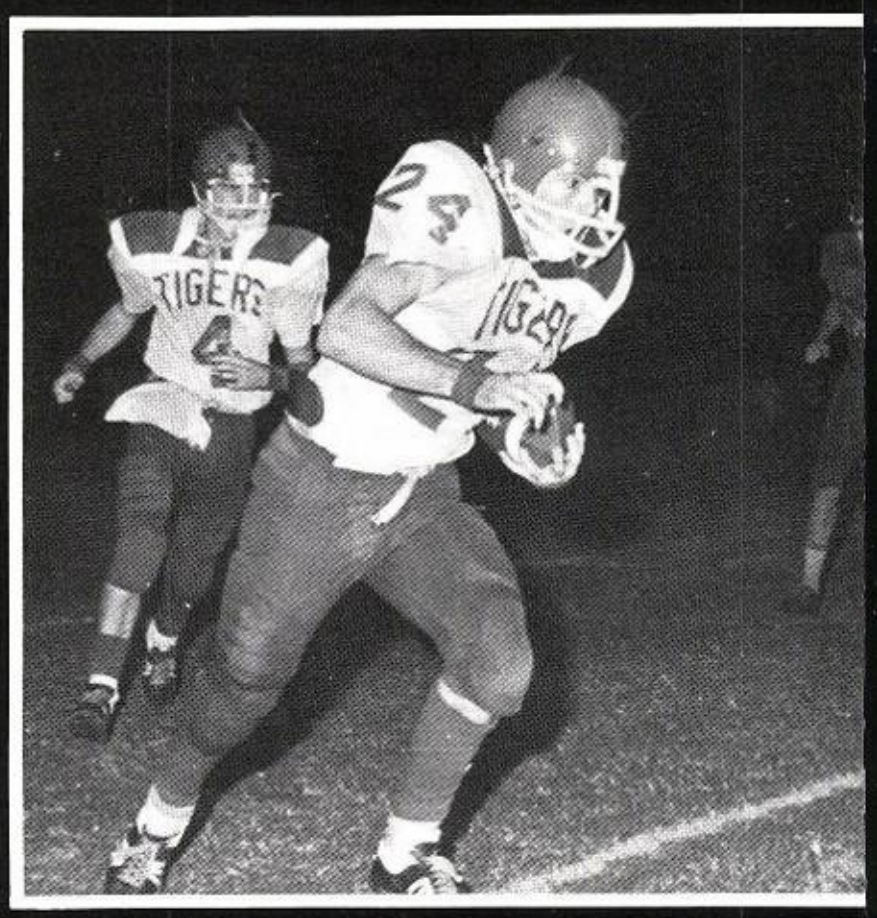
BELTON VS. TAYLOR
7-6

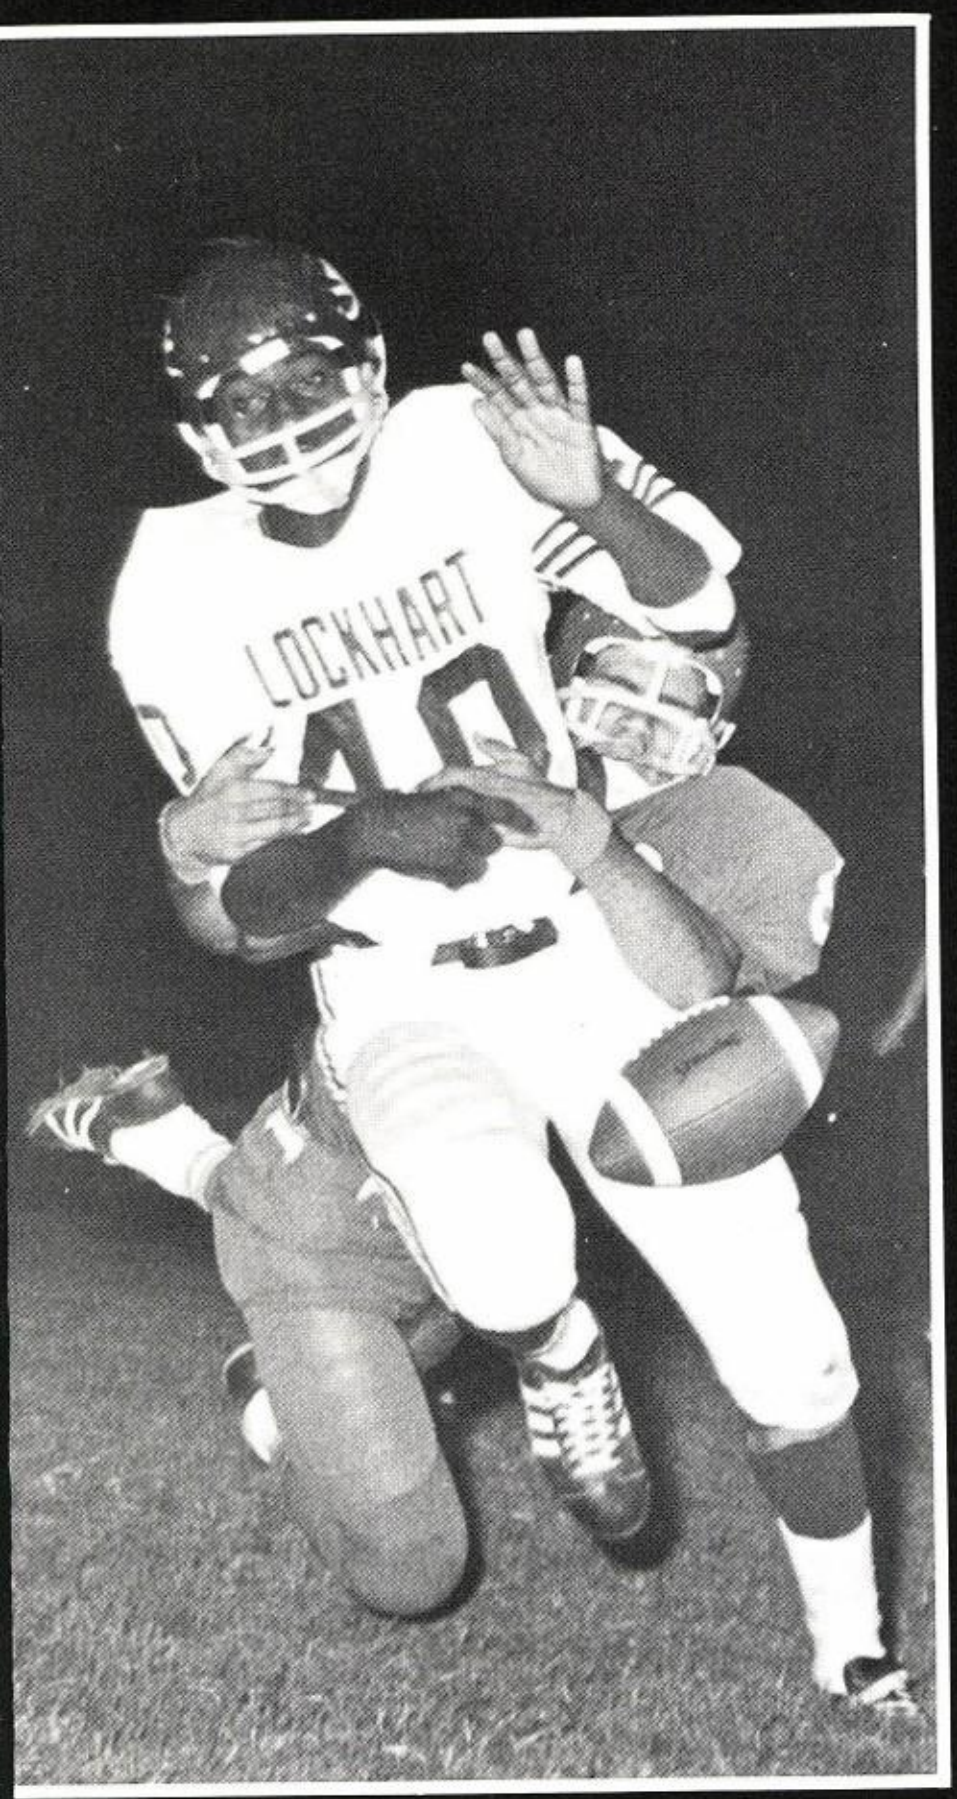
The Tiger's closest game of the season came as Dale Beerwinkle's right foot booted the extra point to put Belton in the lead by one point. All the scoring in the game occurred in ten seconds of the third quarter. The Tiger's only touchdown came after Taylor's kick-off, when the Tiger's third play resulted in Clayton Brantley's 51-yard scamper for paydirt.



BELTON VS. ROCKDALE
7-14

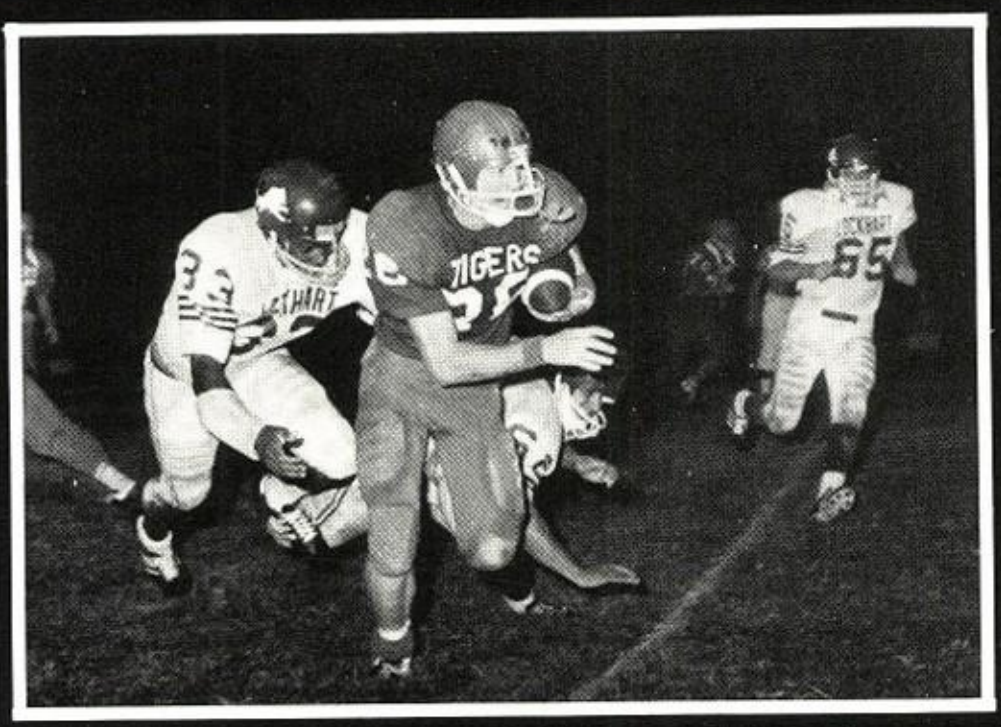
Although the Tigers led 7-0 at the halftime, Rockdale intercepted a Tiger pass which preserved their victory of the game after breaking 7-7 tie. The Belton Tigers did, however, complete 3 out of 5 passing attempts, two of them by our Tiger halfbacks. Leading ball carriers for the ballgame were Clayton Brantley with 93 yards and Steve Ash with 74 yards.

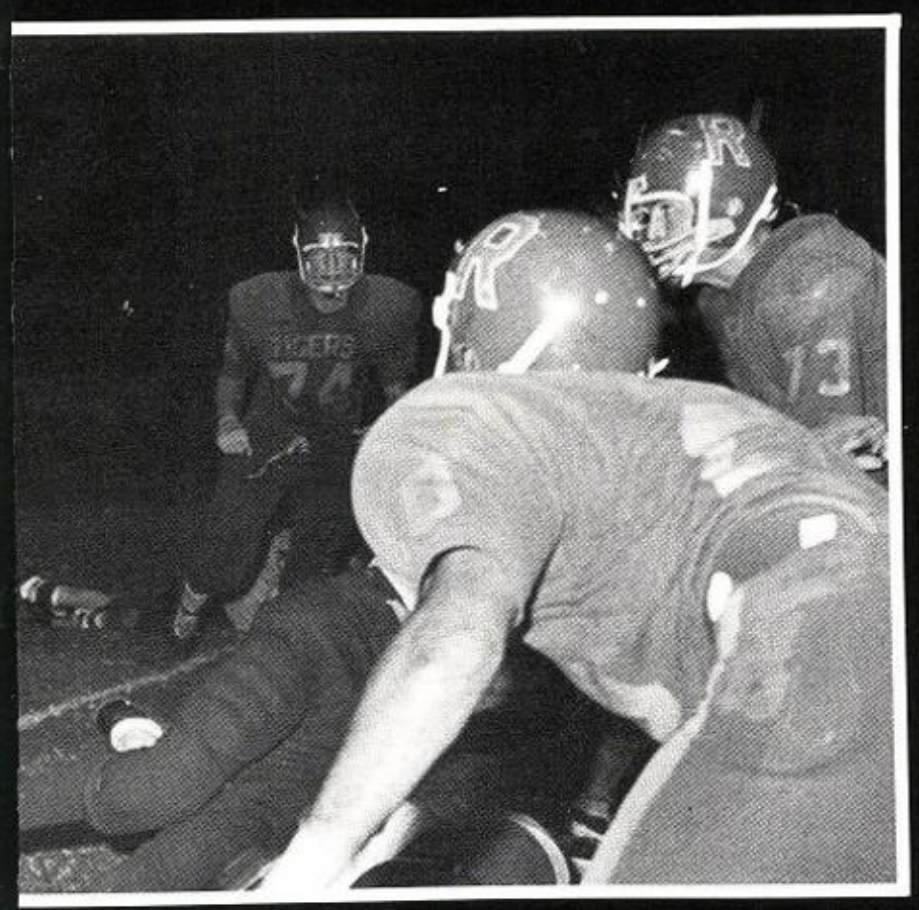


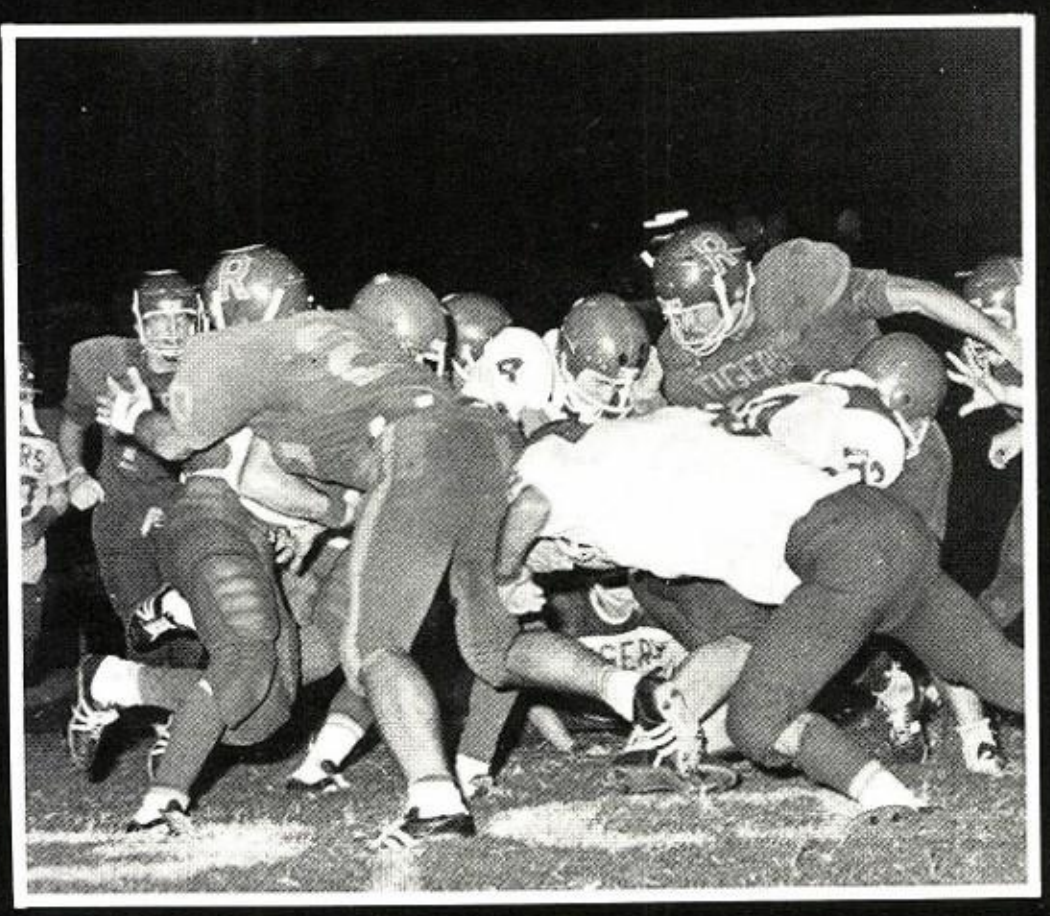


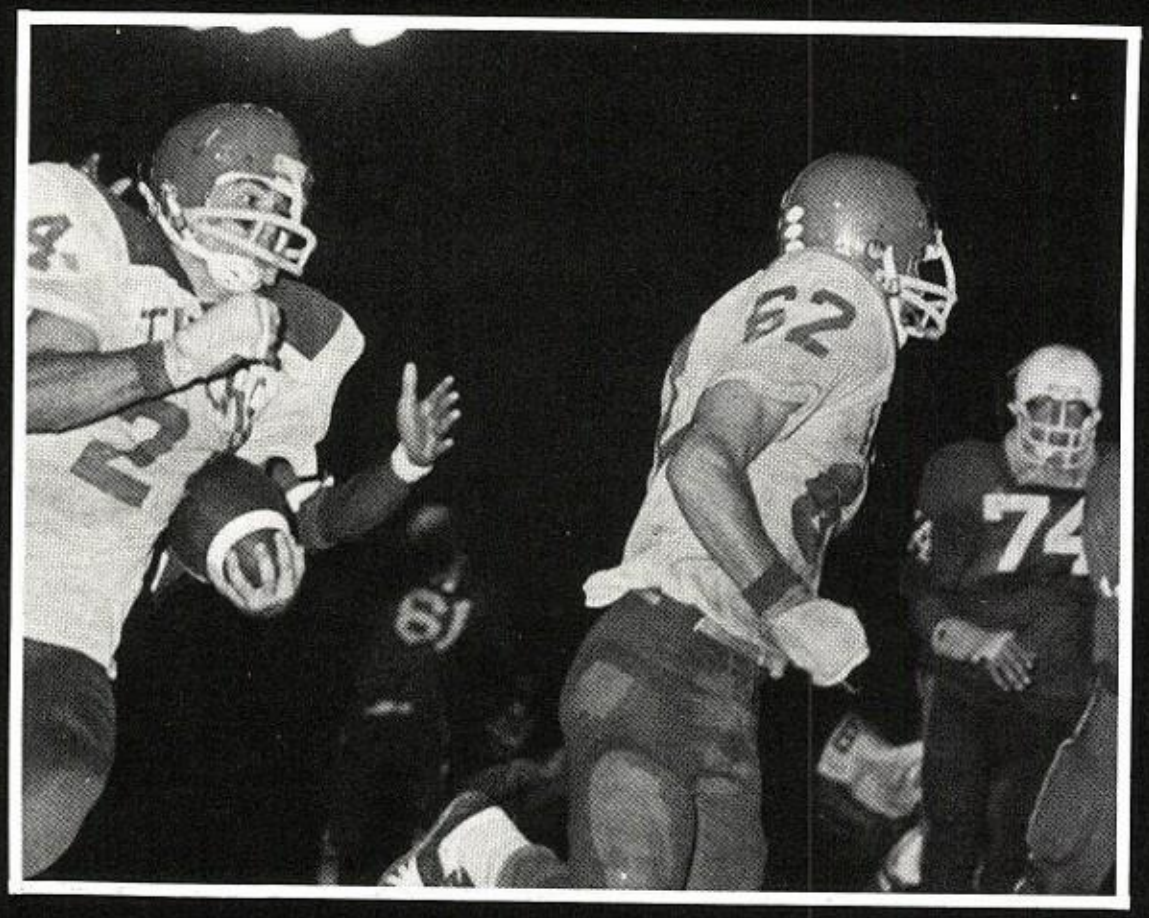
BELTON VS. LOCKHART
6-20

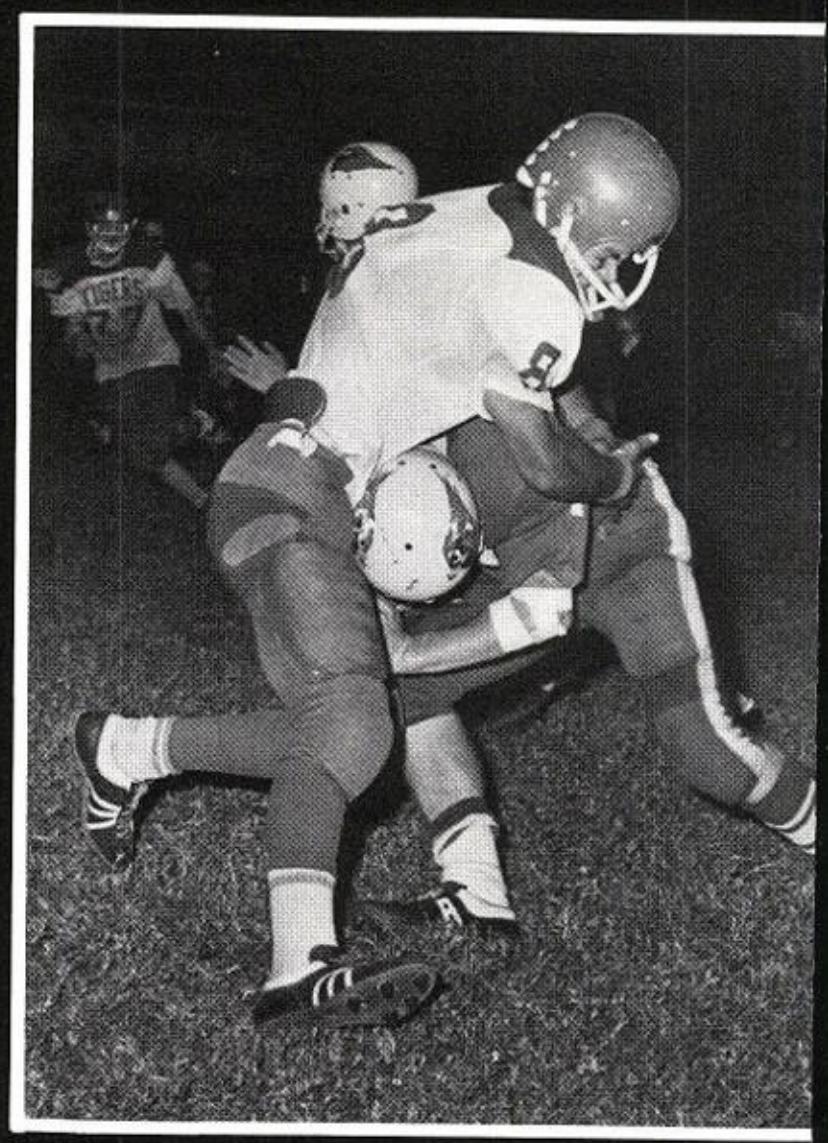
The Tigers worked hard to defend themselves against the strong right arm of the Lockhart quarterback, whose passing netted 212 yards. The Tigers were trailing in the first half with a score of 13-0, but they made a great comeback in the second half when Steve Ash ran for a touchdown, making a score of 6-13. The Tigers tried hard to catch up, but they couldn't beat the long passes made by Lockhart. The game ended with the Tigers trailing 20-6 after Lockhart made another touchdown in the fourth quarter.





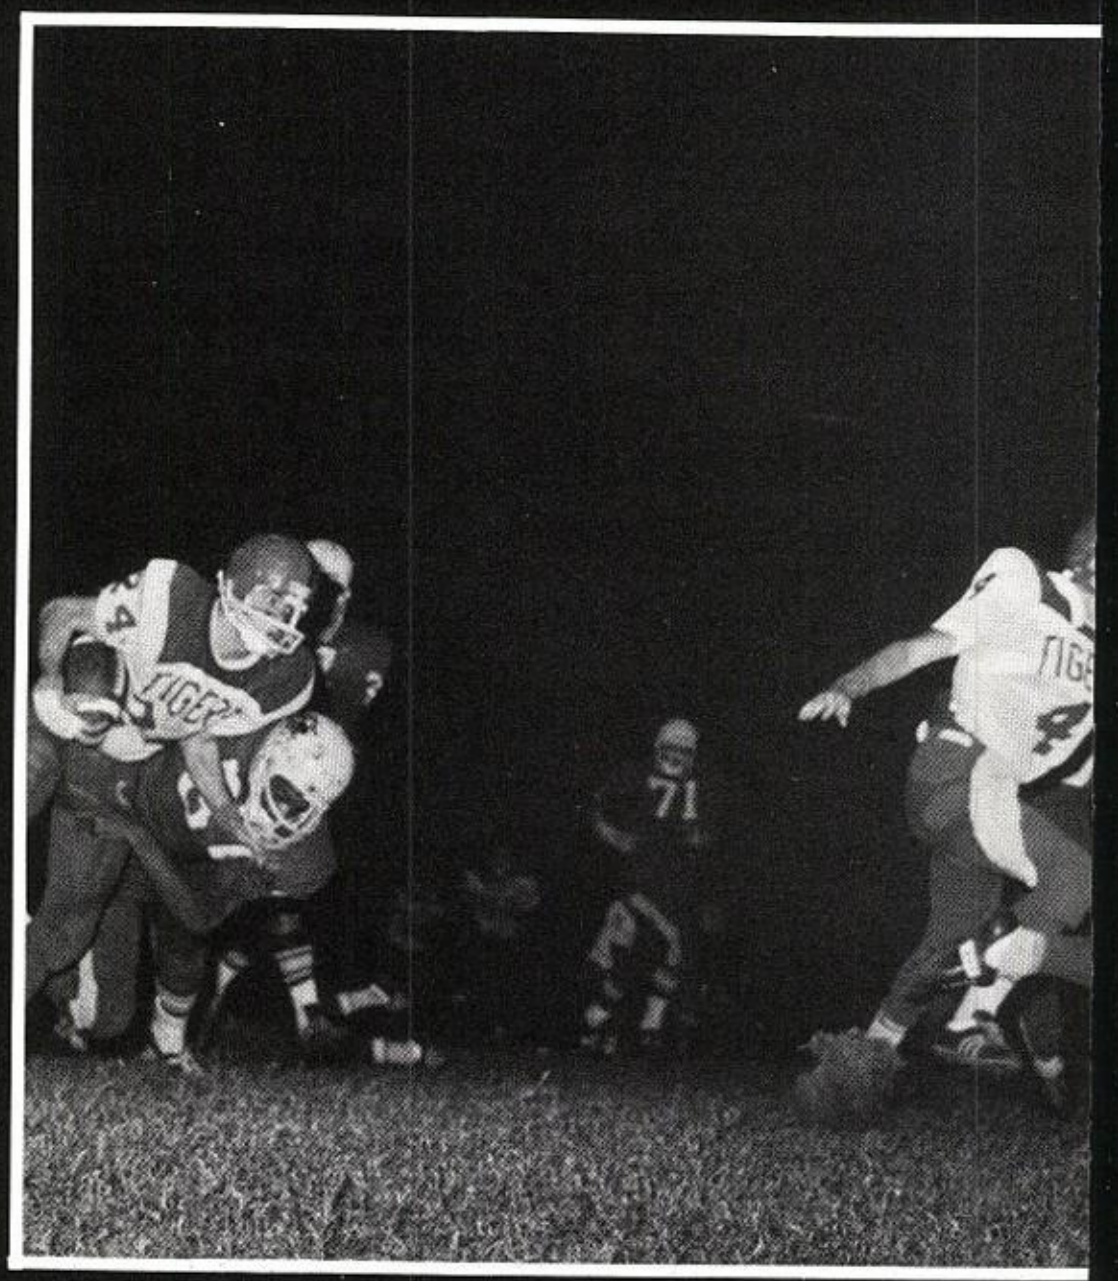


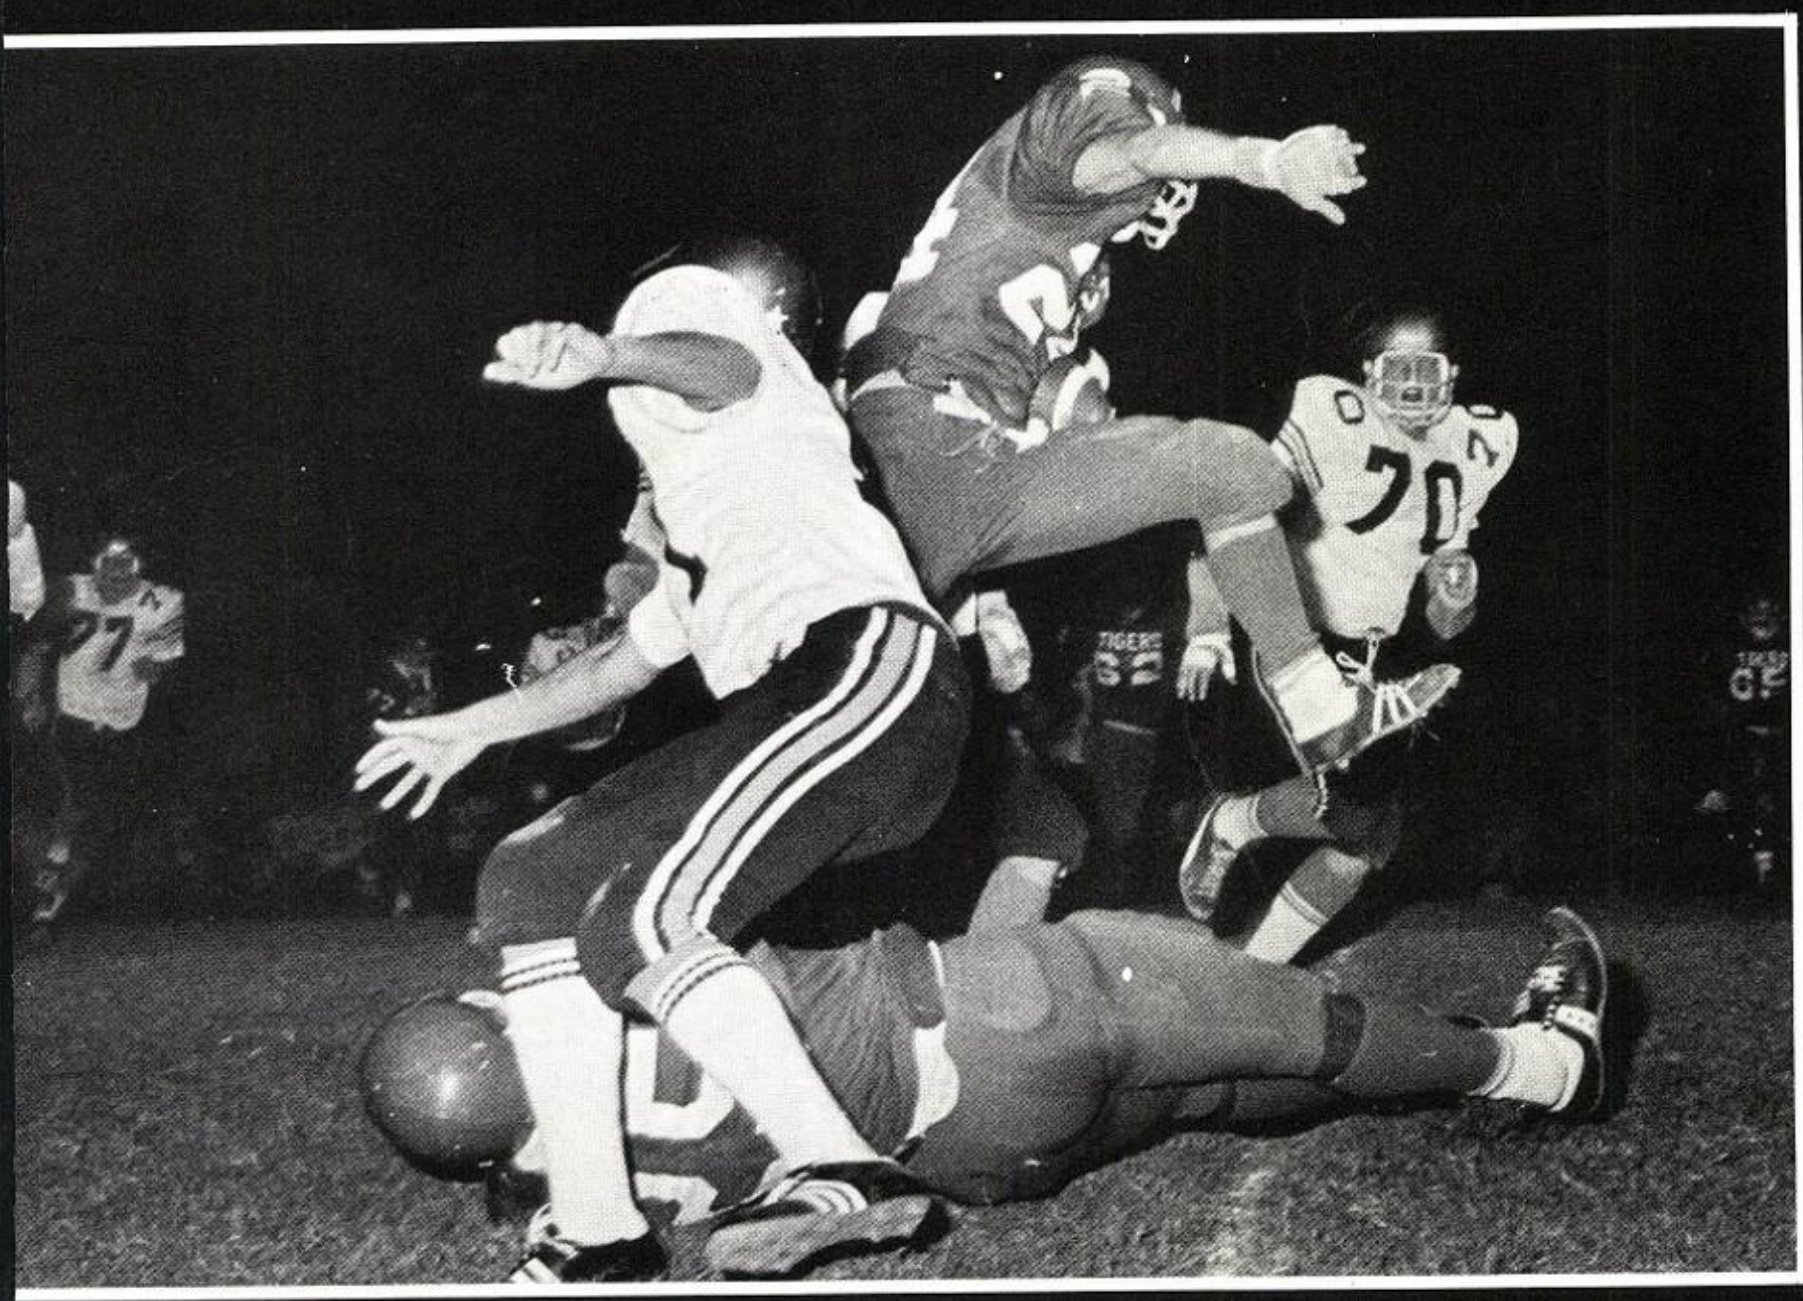


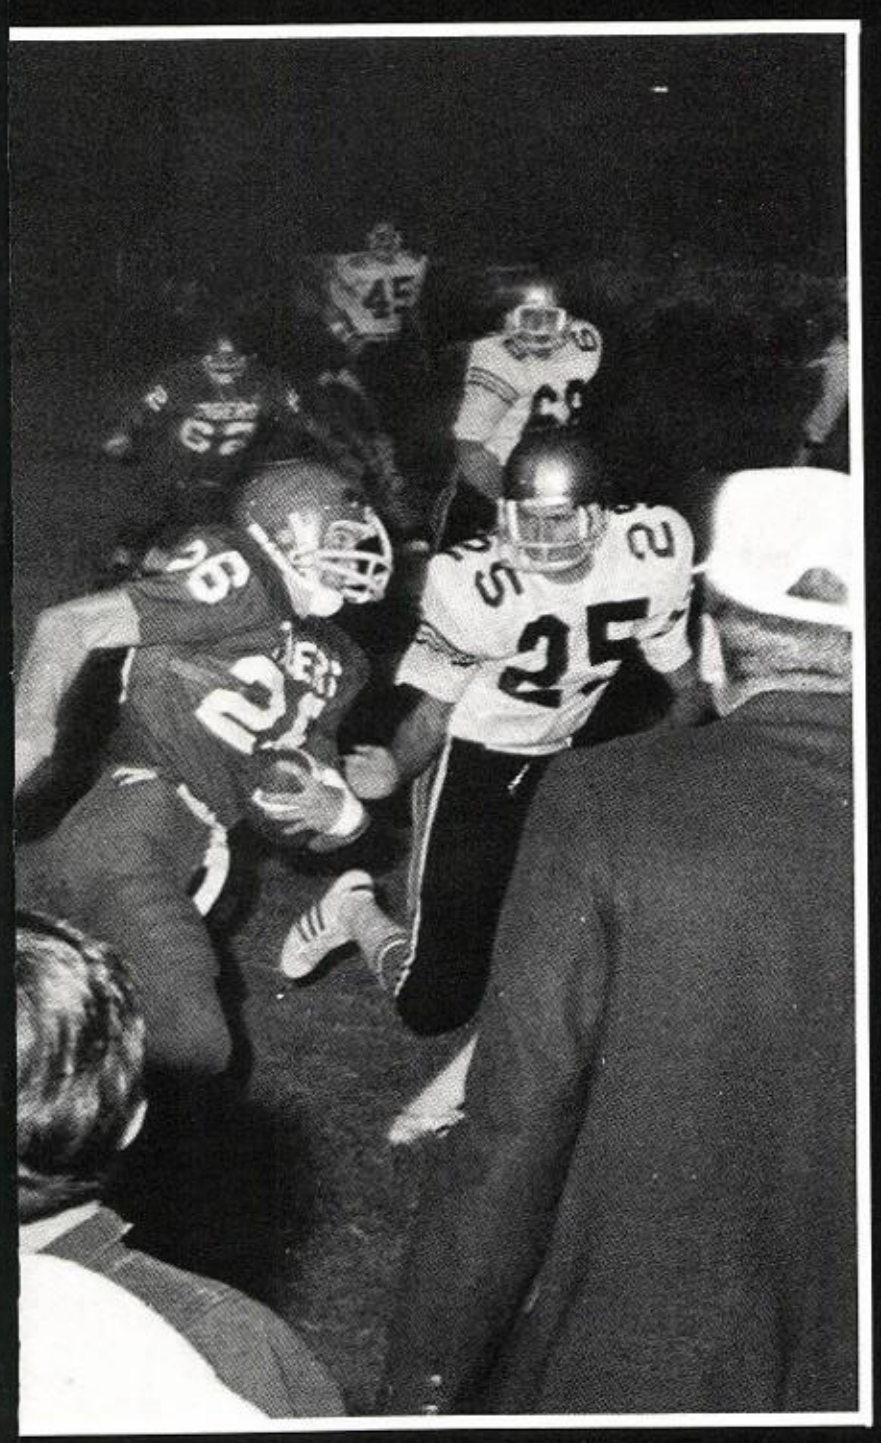


BELTON VS. DEL VALLE
23-14

The Tigers played a strong second half to come from a losing first half score of 3-14 to a winning score of 23-14 over the Cardinals. Belton's rock-hard defense aided by the running ability of Harry Wilson caused the Tigers to score three times in the second half, preventing Del Valle from scoring the entire second half.





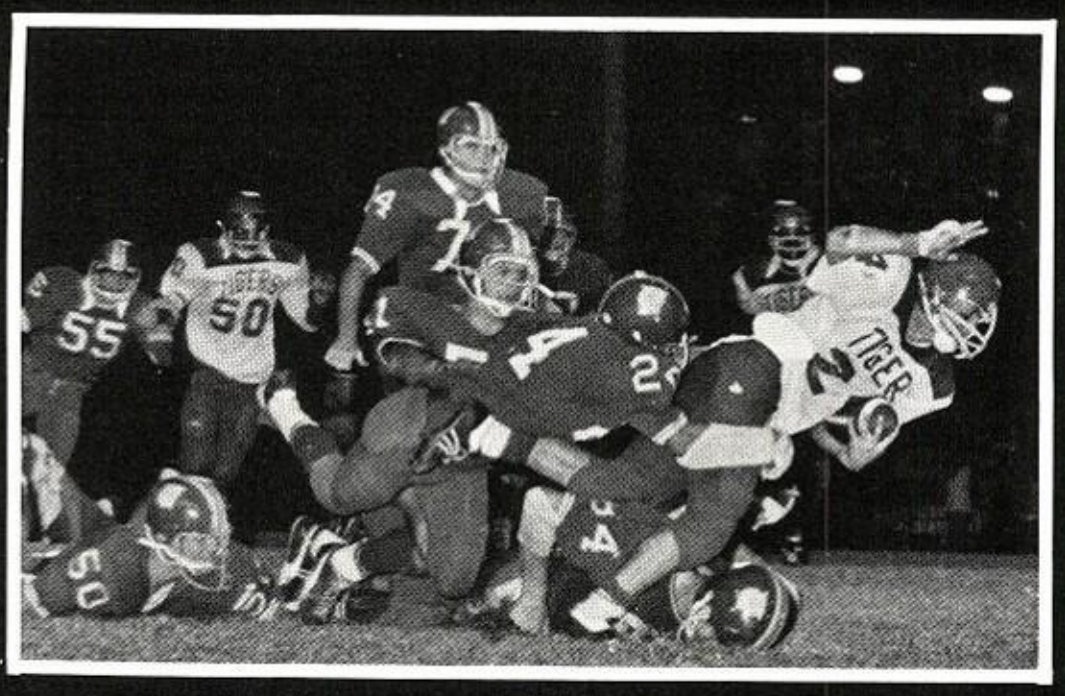


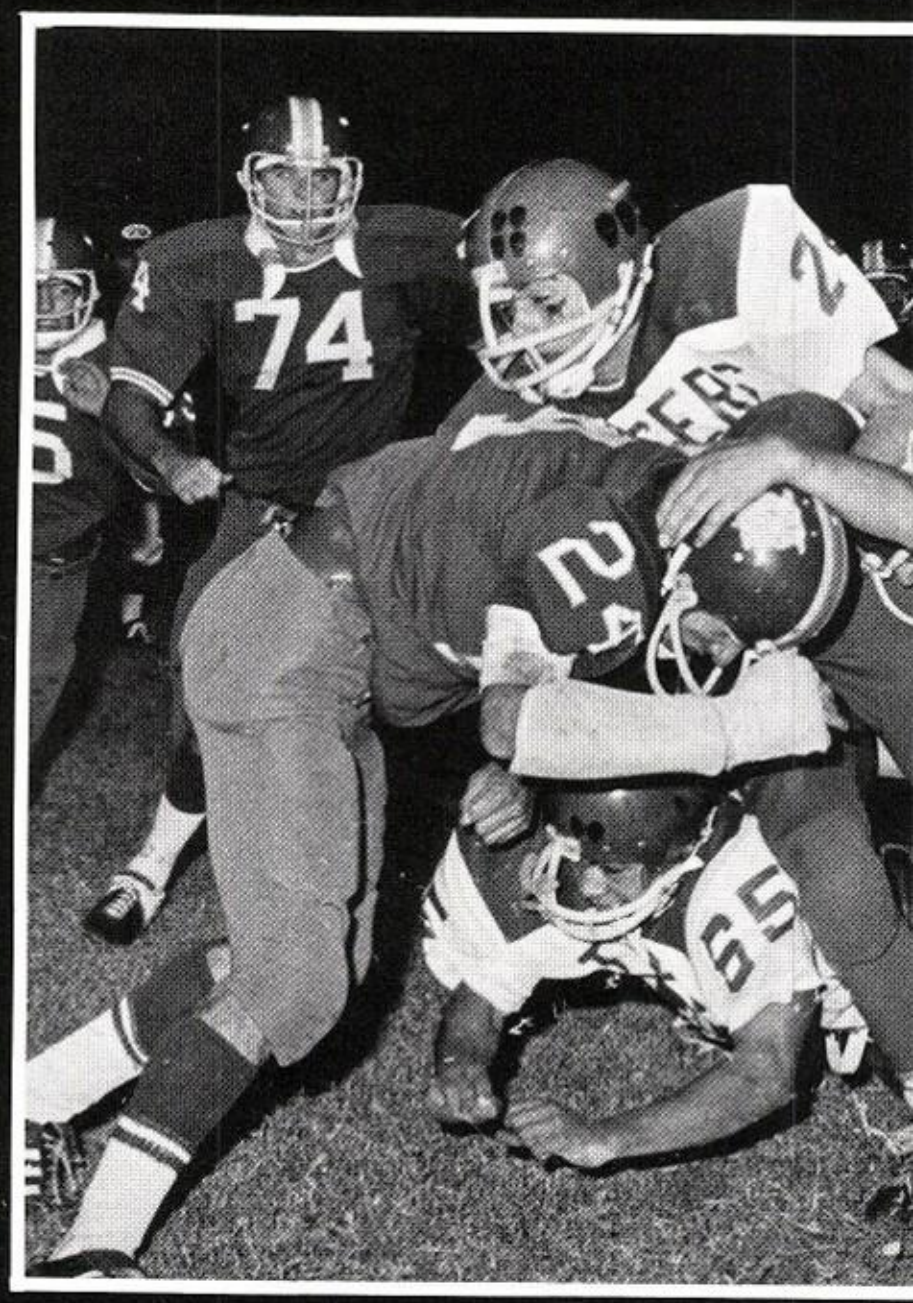
BELTON VS. GATESVILLE
21-20

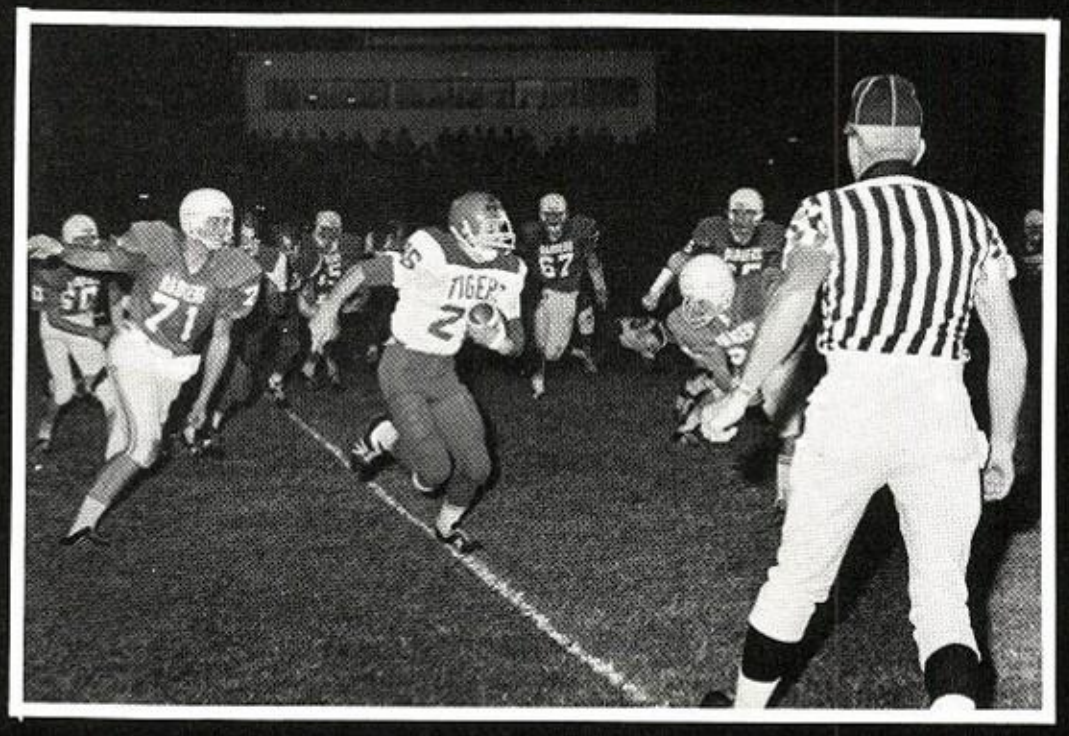
The Tigers' shining victory over the Hornets was a reality as was the serious injury received by Harry Wilson after bringing down a Hornet with the aid of another Belton defender. This game ended a stalemate which has existed ever since the Hornets' victory over the Tigers last year. 32-33. Clayton Brantley led all the rushes of this year's game with 124 net yards.

BELTON VS. COPPERAS COVE 21-35

The 13-AAA spoilers, alias Cove, continued to upset the leading district teams by winning over the Tigers 35-21. The Tigers had their troubles with the Bulldogs, partially as a result of the loss of Harry Wilson, who was injured in the Gatesville game the previous week. The Tiger fans really raised to their feet one time in the game as Clayton Brantley took a kick-off at the 20 and raced 80 yards for a touchdown.







BELTON VS. LAMPASAS 14-11

The Tigers made a great comeback after the Cove game to beat the Lampasas Bulldogs 14-11. The first quarter was scoreless, but Lampasas was leading in the second quarter 3-0. The Tigers roared back in the second half, though, when they recovered a Lampasas fumble. Clayton Brantley ran for a touchdown, and Dale Beerwinkle kicked the extra point, giving the Tigers a lead of 7-3. Later in the game Clayton ran for another touchdown, and Dale kicked another extra point, giving us the lead of 14-3. The Bulldogs tried to fight back when they scored with 4:03 left in the game, but they failed to catch up with the Tigers' winning score.

President, Dan Lord

Vice-President, W. B. Long

Secretary, Robert Kennedy

An important date for the administration is the meeting of the school board on the second Monday of each month. Among the more important things discussed at the meetings are the selling of school bonds, financial standing of Belton Schools, and all current business projects of Belton Schools. These men work on a voluntary basis for the welfare of the school. When important events come up, they are called to meet during the day. They usually spend about three hours at each of their meetings.

If there's a better way, we'll find it.

Thomas A. Edison, the research genius of his time, found a "better way" of life for the world when he first put electricity to use. Later, research by the electric industry and companies like Texas Power & Light Company created hundreds of new conveniences for home, industry and farm. And the future seems limitless. TP&L, in cooperation with other electric utilities, universities and the electric industry, has carried on a number of research programs spanning a wide variety of fields — from exploring the possibilities of converting heat and chemical energy directly into electricity, to developing a vastly improved design for electric water heaters and taking a part in nuclear study, research and development programs. If there's a better way, we'll find it!
